TO:

Economic and Community Development Committee

I am herein reporting on City Council Bill 22-0281 introduced by the Council President on behalf of the Administration (Department of Housing and Community Development).

The purpose of the Bill is to amend the Urban Renewal Plan for Middle East to extend the life of the Plan; remove certain properties from the lists in Appendices A, C and D; waive certain content and procedural requirements; make the provisions of this Ordinance severable; provide for the application of this Ordinance in conjunction with certain other ordinances; and provide for a special effective date.

The Urban Renewal Plan for Middle East was established by Ordinance 79-1202 and was last amended by Ordinance 21-029. City Council Bill 22-0281, if approved, would extend the life of the Plan through December 31, 2026, and would remove certain properties from Appendices A, C, and D of the Plan.

The Department of Public Works has no objection to the passage of City Council Bill 22-0281.
