Re: City Council Bill 23-0332 – Supplemental General Fund Capital Appropriation – Baltimore
City Convention Center – \$1,000,000

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 23-0332 for form and legal sufficiency. The bill provides a Supplementary General Fund Capital Appropriation in the amount of \$1,000,000 to the Baltimore City Convention Center. The money is from excess Transfer Tax revenue that had not been anticipated when balancing the budget for Fiscal Year 2023. The appropriation would go to pay for unanticipated expenses of maintenance to the west side freight elevator.

The City Charter establishes the criteria for making supplementary appropriations. City Charter, Art. VI, § 8. Section 8(b)(2)(iii) of Article VI of the City Charter permits such a supplementary appropriation when there has been “a material change in circumstance or additional appropriations for new programs which could not reasonably be anticipated at the time of the formulation of the proposed Ordinance of Estimates” for the fiscal year. The supplementary appropriation must be recommended by the Board of Estimates and must be approved by the Mayor and City Council via an ordinance, which must identify the source of the funds and may only encompass a “single program, purpose, activity or project.” City Charter, Art. VI, §8(c).

The bill cites Section 8(b)(3) of Article VI as authority for this action, however that Section no longer exists after Resolution 20-25, which changed and renumbered this part of the City Charter. To be accurate, the authority language should be amended to fix the error. An amendment is attached to this report. Subject to the foregoing, the Law Department approves the bill for form and legal sufficiency.

Very truly yours,
