The Baltimore City Office of Information and Technology (BCIT) has completed its review of Council Bill 22-0136R. The purpose of this bill is to invite the City Solicitor and representatives from the Department of Finance, the Baltimore City Office of Information & Technology, the Mayor’s Office of Immigrant Affairs, and the Office of Equity and Civil Rights to discuss the status of the Baltimore City Municipal Identification Card Program, including obstacles, solutions, and a timeline for implementation.

BCIT defers to the Mayor’s Office of Children and Family Success and the Digital Services Team, as they are leading the implementation of the Municipal ID program as it relates to Council Bill 22-0136R.
