**Re:** American Rescue Plan Funds – Performance Oversight Council Bill 21-0121 Monthly Report

---

## Background

This memorandum accompanies the City of Baltimore Mayor's Office of Recovery Program's submission of its monthly report to the City Council on spending and performance related to American Rescue Plan Act (ARPA) funding. Specifically, Council Bill 21-0121 § 49-2(B) prescribes the elements of legislatively required reporting, which stipulates that monthly reports should:

- 1) Provide data and metrics regarding how the funds have:
  - I. Increased the effectiveness of city government services;
  - II. Broadened the reach of city government services;
  - III. Made city government services more efficient;
  - IV. Made city government services more sustainable
  
- 2) Identify key performance indicators, benchmarks, and targets related to:
  - I. Equity, as defined in Article 1, § 39-1 of the Baltimore City Code;
  - II. Population Growth;
  - III. Labor and Employment;
  - IV. Economic Growth, especially the growth of minority and women-owned businesses; and,
  - V. Community Benefit

## Commitments and Expenditures

At the end of January, the Mayor's Office of Recovery Programs has committed \$641.1 million in ARPA funds to City agencies, quasi-governmental organizations, and nonprofits to advance priority initiatives for the benefit of Baltimore City residents. Through January 2024, about \$201.5 million dollars has been spent on ARPA-funded projects (See Table 1), accounting for about 31% of the current commitments and of the city's \$641M total ARPA allocation.

## Commitments

Table 1 lists ARPA commitments totaling \$641,170,126, the full Baltimore City ARPA allocation. Expenditures total \$201,452,966 through January 2024.

Notes: Commitment and expenditure data are through January 2024. Pending projects denotes financial commitments for projects that do not yet have a finalized budget. For Broadband and Digital Equity, expenditures exceed the commitment amount for Phase I. An Amendment to the Interagency Agreement that accounts for both Phase I and Phase II funds is pending. BDE began obligating and expending funds prior to the execution of that Amendment, with the approval of MORP.

## Recovery Office Accomplishments

The Mayor's Office of Recovery Programs directly awarded ARPA funding to 45 nonprofit organizations. As of January 2024, all 45 nonprofits have received disbursements totaling \$25.2 million. See Table 1 for information on total disbursements to nonprofits. In addition, some highlights of select nonprofit activities in January are as follows:

- Downtown Partnership of Baltimore's Economic Development team has finalized a Grants Program Management set of procedures to ensure that applications, awards, disbursements and reported are being managed effectively including the Facade Improvement Program (FIP), Operation Storefront (OS) and BOOST. This work was in combination with updated grant applications which will be in place by end of February (FIP and OS) and early March (BOOST). The new BOOST application round is anticipated to be announced in March.
- Ministers Conference Empowerment Center CDC's Career Coordinator launched the Cradle to Career Speaker Series with a virtual presentation and discussion with the Port of Baltimore and 52 teenagers and interested adults.
- ReBUILD Metro is nearing completion on stabilization construction on 430-438 East Biddle Street—the first 5 properties in the Teacher Housing Project—including basement slabs, flooring, framing, roofing, rear walls, and masonry. Stabilization construction has begun on 600-618 East Biddle Street—the remaining 10 properties in the Teacher Housing project—including progress on framing and roofing.

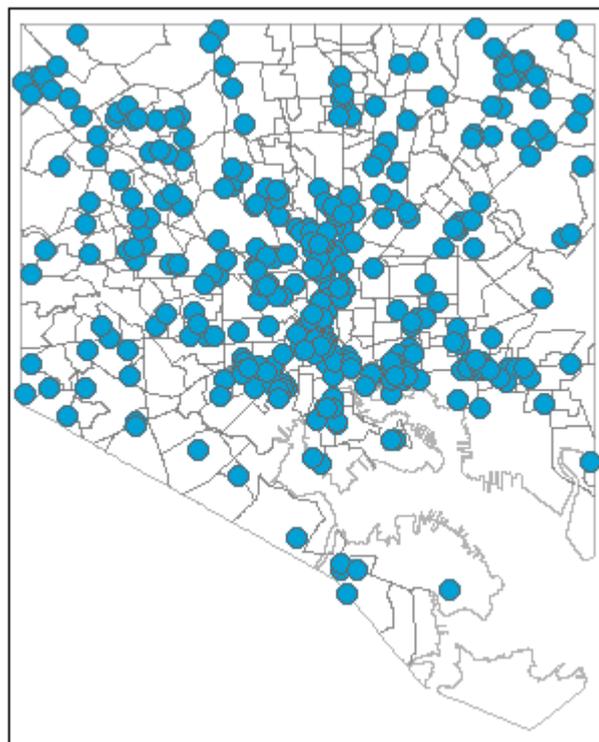

In addition, the Recovery Office continues to provide technical assistance to all funded city agencies, quasi government agencies and nonprofits as well as coordinating with centralized functions such as legal, procurement and finance to facilitate timely disbursements and expenditures.

## Subawardee Accomplishments

### *Economic Recovery Fund*

There have been 1,066 grants awarded, totaling \$ \$19,462,086, from Economic Recovery Fund fiscal agents to beneficiaries, including nonprofits and small businesses (See Appendix for a complete list of organizations). Four out of five fiscal agents have completely disbursed grant funds. The fifth fiscal agent—Baltimore Development Corporation (BDC)—continues to disburse grants to its subrecipients. The map below indicates the location of all organizations funded by BDC through December 2023. A map including the locations of other Economic Recovery Fund recipients can be found on the Recovery Office [dashboard](#).

**Figure 1: Organizations Funded by Baltimore Development Corporation**

Note: Map reflects organizations funded in Rounds 1 and 2 through January 2024.

***Baltimore Development Corporation (BDC) Economic Recovery Assistance***

BDC processed a limited number of first and second checks – totaling 21 checks (4 second checks to Round 1 awardees, 3 first checks to Round 2 awardees, and 14 second checks to Round 2 awardees). BDC continues to coordinate with businesses in Round 2 to gather and authenticate the necessary documentation to issue checks. BDC is also coordinating with businesses on eligible uses of grant funding, as some businesses' needs have changed since submitting their application for funding. BDC is also in the process of coordinating with the Recovery Office to review expenditures, budgets, and performance of the Technical Assistance partners in the BASE Network.

## City Agencies Accomplishments

***Baltimore City Recreation and Parks (BCRP)***

As a correction from last month's report, the informal bid for the Gwynns Fall trail project was not issued by the Bureau of Procurement, due to the need for review by The Small and Minority

Business Advocacy and Development (SMBAD). Once SMBAD completes their review, the Bureau of Procurement will issue the informal bid. The Towanda and Coldstream solicitation packet are due March 6, 2024. This represents an extension from the original date of February 21, 2024, which was granted at the request of bidding contractors. Fifteen of the remaining 16 playgrounds have been approved with purchase orders. The last one, Dewees, is in processing. Bids were received for Gardenville Recreation Center on January 24, 2024, and are under review for compliance by SMBAD.

### ***Baltimore City Health Department (BCHD)***

In January, 382 vaccines were given between 35 clinics (including Mobile Response Team, Homebound, Spot Van, and the TIKE (To Immunize Kids Everywhere) program). In addition, 16 VALUE community outreach events to promote COVID-19 vaccination. Also, 14,000 at-home COVID test kits were distributed.

BCHD has been working with their vendor, Politics with Purpose, on developing radio and television ads for their comprehensive COVID-19 communications campaign. Materials include radio, television, and billboard advertisements. Advertisements will be placed in March, pending invoice payments.

### ***Baltimore City Information & Technology (BCIT)***

#### **New Computers and Technical Equipment for City Employees**

BCIT has deployed 65% of CitiWatch cameras. Purchase Orders are in place for 7 meeting rooms for hybrid upgrades and Requisitions are in place for 5 more meeting rooms. To date, 34 PCs have been replaced as a part of the hardware refresh program.

#### **Broadband and Digital Equity**

The BDE's technical team successfully launched Baltimore's FreeBMoreWiFi wireless network at Shake & Bake Family Fun Recreation Center on February 3, 2024. BCIT had a total of 685 clients access public wi-fi at Shake & Bake during the two-week soft launch monitoring period.

BCIT-BDE partnered with University of Maryland Extension, Baltimore City Recreation and Parks (BCRP), and the National Digital Inclusion Alliance (NDIA) to provide Digital Navigator Training to 16 BCRP employees. BCRP employees who are trained as Digital Navigators will have the skills necessary to assist visitors with connecting to the city's free public Wi-Fi network, FreeBmoreWiFi, using on-site devices, and take advantage of digital skills training opportunities. The training was held over two half-day sessions, held on February 6 and 7, with 16 BCRP employees in attendance for both days.

The Digital Equity Coordinator at BDE hosted two events in the month of January with a total of 88 attendees. BDE will meet with the BDS Healthy Aging Network to discuss accessing affordable broadband and devices. BDE also provided information on the launch of public wi-fi in the Penn-Wilson area.

Other community and partner engagement work includes:

- Affordable Connectivity Program (ACP): BDE has highlighted ACP wind-down resources in the BDE bi-monthly newsletter for partners and the community. BCIT has shared updates and information through community emails on ACP.
- Rural-Urban Digital Coalition (RUDC): The Maryland State Conference of the NAACP has started a coalition to share information and coordinate resources and policy Statewide, in alignment with the State's Digital Equity Plan. BDE has been asked to lead the

ormation and launch.

- BDE is working with the Pew Charitable Trust to create a video describing the similarities, differences, and best practices in addressing broadband access as a central component of a healthy democracy.
- BDE is working with community leaders to create a policy capacity building panel series for grassroots organizations to clearly understand how policies are created and how they can be amended.

### ***Mayor's Office of Homeless Services (MOHS)***

The Shelter Demobilization/Rapid Rehousing initiative is ending for four of the six Providers as of March 31, 2024. Two providers received six-month, no-cost extensions to continue providing hotel demobilization, rehousing, short-term rental assistance, and case management services for individuals residing in hotel shelter decompression sites established in response to COVID.

The Housing Accelerator Fund will announce the organizations awarded for pre-development, construction, and gap funding in March 2024 and the Permanent Supportive Housing (PSH) Institute will hold an orientation for the six teams selected to participate.

Outreach efforts include three webinars focused on the Housing Accelerator program, local and state industry groups and mailing lists, and individual outreach to organizations and developers. Efforts included explicit focus on outreach to groups and organizations with connections to developers who are emerging, or Black, Indigenous, and other Persons of Color (BIPOC) led. Initial results suggest outreach efforts were effective in producing applications for the Housing Accelerator Fund. Of the 42 applications received for Housing Accelerator capital funding, 81 percent were from Black/POC/Women-led developers, and 38 percent were emerging developers. All emerging developer applicants were Black/POC/Women led. Of the 22 applications received for the PSH Institute, 100 percent of the applications were from Black/POC/Women led organizations.

Finally, the monthly outreach to Providers and the Coordinated Access staff are working in collaboration with the United Way and Housing Navigators across Baltimore City to ensure that the Rapid Resolution and Shelter Diversion Fund is being used to reduce evictions and rapidly resolve homelessness.

### ***Mayor's Office of Neighborhood Safety and Engagement (MONSE)***

#### **Victim Services**

On January 23rd, reporters from the Baltimore Banner visited MONSE HQ in West Baltimore, profiling the agency's Victim Services team as they continue to navigate long-term stabilization planning for residents in the Brooklyn community. Several Brooklyn stakeholders (including ARPA-grantee City of Refuge) were on hand for a candid discussion around next steps and strategies for healing, as reporter Lee Sanderlin shed light on the critical work already underway for victims of crime and/or violence in Baltimore City.

In service of MONSE's ongoing commitment to the Brooklyn community, MONSE will also be helping to co-facilitate a monthly mental health speaking series at nearby Baybrook Elementary. Following each speaker will be an afternoon of planned activities and non-traditional therapies including art therapy, yoga, sports therapy, and more. Parents will also have access to financial literacy programming and other life skills training.

MONSE is currently in the early planning stages for an upcoming Human Trafficking 101 training seminar at St. Lima in South Baltimore. The training will be facilitated in partnership with City of Refuge and Turnaround, with a planned event date for March 2024.

### **Community Violence Intervention (CVI)**

The Urban Conflict Management Certification Program at University of Baltimore is officially underway, as an inaugural cohort of 20 violence interrupters grow their knowledge of mediation, trauma-informed care, conflict de-escalation, intergroup dialogue, and more. This program is the culmination of many months of planning, strategizing, and coordinating with our partners at the University of Baltimore. Safe Streets permanent locations have been identified for 4 out of 10 Safe Streets sites, and these locations will serve as permanent operating facilities moving forward. Once all construction and/or rehabilitation is complete, MONSE anticipates a late Spring or Summer move-in for each of the following: Cherry Hill Safe Streets site will relocate operations to a permanent facility in Cherry Hill Town Center. Park Heights will transition to a new space at 2400 Park Heights Avenue. The Safe Streets team in Franklin Square will move to 5 North Calhoun Street. Finally, McElderry Park's Safe Streets operation will move to 2305 McElderry Street.

Safe Streets also continues to see reductions in violence across all sites, with zero homicides reported in the first month of 2024. As of February 3<sup>rd</sup>, homicides, and non-fatal shootings across all 10 sites are down 50% and 40%, respectively, when compared to this same time last year.

Members of MONSE's Community Engagement and Opportunity team will also participate in the February 14th Safe Streets retreat, in partnership with both CVI and Intimate Partner Violence (IPV) lanes.

### **Gun Violence Reduction Strategy (GVRS)**

GVRS officially expanded into the Central district on January 9th, building on the strategy's ongoing progress in both the Western and Southwestern districts. In addition, two law enforcement takedowns were successfully carried out at the 2400 block of Longwood Avenue, as well as the 2600 block of Washington Boulevard in Morrell Park. Stabilizations are currently ongoing for communities at both locations, ensuring that residents have reliable access to mental health services, workforce training opportunities, and additional resources as needed.

MONSE is finalizing its GVRS transitional employment MOU with MOED and its HireUp program. Concurrently, MONSE is working on a similar MOU for GVRS Transitional Employment with the Department of Planning's Clean Corps program.

### **Community Safety and Response**

MONSE helped facilitate the first Neighborhood Policing Plan (NPP) convening for the North Avenue/Hilton Street community on January 30th, which included a neighborhood walk and goal-setting roundtable discussion with city agency partners and BPD. Insights gathered will be used to assess any gaps in the NPP pilot, as well as any best practices or next steps that will best serve the mission of additional NPP sites moving forward. Other training events included:

- ARPA grantee We Our Us recently hosted a youth summit event at Middlebranch recreational park, drawing over 300 youth attendees.
- MONSE (alongside partners at MOCFS and Mentor Maryland / DC) closed out National Mentoring Month with a special event honoring the critical impact of local youth mentors as they work to create greater opportunity for Baltimore youth.
- NPP partner Greater Baybrook Alliance (with additional support from representatives at BPD) held a training to foster a new space for individuals to propose new strategies for

improving outcomes in community, including consideration for environmental safety precautions and safety issues within neighborhoods.

- The Walbrook Junction Neighborhood has an ongoing proactive Coordinated Neighborhood Stabilization Response (CNSR) engagement in West Baltimore.

### **Re-Entry Services**

Twenty-four (24) individuals attended MONSE's first convening of its Re-Entry Action Council, whose mission seeks to determine best resources and/or services for those re-entering society while also increasing buy-in from new participants behind the wall. A second Re-Entry Action Council meeting is scheduled for February 15th, at which point organizers go back behind the wall on February 22nd.

### **Mayor's Office of Immigrant Affairs (MIMA)**

**Baltimore New American Access Coalition (BNAAC):** BNAAC has updated its outreach strategy to prioritize mobile BNAAC enrollment offerings. With this updated strategy, BNAAC hopes to positively impact community-based organizations' ability to reach enrollment targets. Outreach activities included:

- SECDC reported tabling at Holabird Academy's Academic Night on January 30th, an effort led by SECDC.
- CASA reported attending parent teacher conferences at Fallstaff Elementary which resulted in recruiting five new BNAAC cases. Additionally, CASA presented to 40 families with students enrolled at Fallstaff and will return in February to provide a similar presentation to connect more of the community with BNAAC.
- Global Refuge Welcome Center (formerly LIRS Welcome Center) reported providing winter clothes to its participants.
- Global Refuge TA (formerly LIRS TA) provided training on taxes in partnership with University of Baltimore Low-income Taxpayer Clinic and CASA Baltimore; a Human Right to Housing training in partnership with Public Justice Center; a SNAP refresher and updates training in partnership with MD Hunger Solutions. Global Refuge TA also hosted a Social Security number and Social Security Income training and a BNAAC Best Practices forum where benefit navigators exchanged case management best practices, successes and challenges with public benefit application submissions and approvals. Benefit navigators were able to share insights and feedback and request additional program resources.

In the past month BNAAC has been in the process of building referral pathways with new partners. BNAAC has successfully set up a reoccurring weekly engagement and enrollment opportunity at the Salaam Center, with Global Refuge, that targets non-Spanish limited English proficient refugees. BNAAC has also successfully established reoccurring community engagement opportunities with organizations in south Baltimore. Sites include (Baybrook EMS, City of Refuge, and the public library). These efforts will support 2 mobile enrollment sites offered by CASA in the area. BNAAC outreach last month also included attendance and tabling at the Baltimore City Transit Forum. In the next month BNAAC will plan and execute an in-person enrollment event at St. Vincent DePaul. As well as establish a new mobile enrollment site at Arlington Elementary and while completing weekly outreach and presentations at Arlington Elementary and the Judy Center to support enrollment at the site. BNAAC outreach will continue to support south Baltimore mobile enrollment sites with outreach at the Centro de Apoyo Familiar.

**Language Access:** MIMA provided technical assistance to additional ARPA programs, including Youth Works, Bmore Fresh, and the Office of Broadband and Digital Equity. Additionally, MIMA conducted a training during the weekly PIO meeting to provide an overview of language access, how to request translation services, and best practices for communicating with individuals with limited English proficiency.

The next Language Access Oversight Committee meeting will take place on Wednesday, March 6th. During this meeting, MIMA will provide updates on the City's Language Access program, including new staff and the timeline for language access onboarding/implementation.

### **Population, Labor & Employment Growth**

Council legislation requires critical performance indicators, benchmarks, and targets related to population growth. No data source exists that would demonstrate population growth monthly. In addition, some ARPA funding may be used for programs and initiatives that could result in population growth. However, such instances would be anecdotal in nature and cannot be positively correlated to ARPA.

The Mayor’s Office of Recovery Programs continues to make significant progress in the awarding of ARPA funds, the monitoring of agency and organization’s progress, and in the accountability and transparency in the use of these funds. Information on awards, reports, and the public-facing dashboard can be found at [arp.baltimorecity.gov](http://arp.baltimorecity.gov).
