DATE: June 20, 2024

**TO:** The Honorable City Council President Nick Mosby  
Members of the City Council  
City Hall, Room 400  
100 North Holliday Street  
Baltimore, MD 21202

I am herein reporting on City Council 24-0535 introduced by the Office of the Council President on behalf of the Department of Planning.

The bill would authorize the Mayor and City Council to create a debt not exceeding \$55,000,000 (the “Debt”) for the public purposes that are outlined in the House Resolution II and Senate Resolution II of the General Assembly’s 2024 Legislative Session.

Per The Baltimore City Department of Planning, Baltimore City Recreation & Parks would be allocated funding from the Public Infrastructure Loan, not the School loan.

In this matter, we defer to the Department of Planning.
