RE: City Council Bill No. 09-0175R

City Council Bill No.: **09-0175R – Informational Hearing – Baltimore Police Department – Police and Cyclists**

The Mayor's Office on Criminal Justice has reviewed this resolution and recognizes the critical role that the Baltimore Police Department (BPD) serves in ensuring the safety of cyclists. In fact, this issue is especially important to the Department, due to its own reliance on bicycle patrols as an essential tool for preserving public safety in City communities. Baltimore police officers participate in bicycle patrols in the Central, Southeast, Southwest, Northern and Northwest Districts. BPD is committed to working with other partners in city agencies and the community to ensure the safety of Baltimore cyclists.
