Honorable President and Members of the City Council
Attention: Karen Randle, Executive Secretary
Room 409, City Hall

At the City Council's Committee of the Whole hearing of March 21, 2012, on water bill moratoriums, the City Council requested a report prior to tax sale of the disposition of all 2,325 properties intended for tax sale because of Water/Waste Water liens, a request to which the Departments of Public Works and Finance agreed.

The detailed disposition report is attached per the agreement. The fields of information include: 1) water account number; 2) service address; 3) last bill date; 4) current balance as of; 5) last payment date; 6) amount of last payment; 7) in tax sale; and 8) reason for removal/inclusion.

The matrix below provides a summary of the 2,325 accounts that were reviewed. Of the total reviewed, 1,562 accounts (67.2%) will not be in the tax sale. The remaining 763 accounts (32.8%) will be in the tax sale since these accounts had no estimated bills, no requested conferences or no adjustments pending. Explanations are provided to document tax sale removal/inclusion.
