	SUBJECT	City Council Bill #14-0417 Response to the Corrective Bill 2014		

TO **The Honorable Bernard C. Young, President
And All Members of the Baltimore City Council
City Hall, Room 408**

DATE: **August 15, 2014**

For the purpose of correcting certain technical errors and omissions in the City Code; repealing certain obsolescent, or otherwise preempted, superseded, or superfluous provisions; correcting, clarifying, and conforming certain language; and providing for a special effective date.

In reference to City Council Bill # 14-0417, the Fire Department has no objections to the proposed amendments relating to this bill pertaining to the fire codes. The greatest positive within this bill is that the "Fire Code" reference is now being properly updated to reflect the current 2012 Edition of the International Fire Code (IFC)
