The Honorable President and  
Members of the City Council  
Room 400, City Hall

Attention: Ms. Natawna Austin

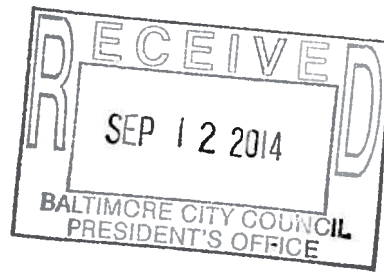

City Council bill #14-0415 has been introduced for the purpose of adopting a new Solid Waste Management Plan for Baltimore City. Specifically, the State of Maryland requires each county and Baltimore City to adopt, maintain, and periodically amend a comprehensive solid waste plan that covers a ten year period.

The Solid Waste Management Plan provides an overview of the City's solid waste operations including: BRESKO operations, Quarantine Road Landfill, solid waste services, and recycling. Development of the Solid Waste Enterprise project will need to continue to fund anticipated enhancements to solid waste operations within and beyond the proposed 10 year plan.

The Department of Finance supports this legislation.
