RE: City Council Bill 14-0438

I am herein reporting on City Council Bill 14-0438 introduced by Council President Bernard Jack Young at the request of The Administration (Department of General Services).

The purpose of this bill is to authorize the Mayor and City Council of Baltimore to sell, at either public or private sale all its interest in a certain parcel of land known as the former bed of a portion of Old Hawkins Point Road, extending from Pennington Avenue to the waters of Curtis Creek and no longer needed for public use; and providing for a special effective date.

The Baltimore City Parking Authority reviewed the location and determined that the direct sale of this property will have no negative impact on parking in the area.

Based on the above comments, the Baltimore City Parking Authority supports the passage of City Council Bill 14-0438.
