	AGENCY NAME & ADDRESS	DEPARTMENT OF PLANNING 8 TH FLOOR, 417 EAST FAYETTE STREET	
	SUBJECT	CITY COUNCIL BILL #15-0520/SALE OF PROPERTY – FORMER BEDS OF 2 10-FOOT ALLEYS BETWEEN LAFAYETTE AVENUE, LANVALE STREET, BARCLAY STREET, AND GREENMOUNT AVENUE	

TO

The Honorable President and
Members of the City Council
City Hall, Room 400
100 North Holliday Street

DATE:

May 7, 2015

At its regular meeting of May 7, 2015, the Planning Commission considered City Council Bill #15-0520 the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in certain parcels of land known as the former beds of 2 10-foot alleys between Lafayette Avenue, Lanvale Street, Barclay Street, and Greenmount Avenue and no longer needed for public use; and providing for a special effective date.

In its consideration of this Bill, the Planning Commission reviewed the attached staff report which recommended approval of City Council Bill #15-0520 and adopted the following resolution eight members being present (eight in favor).

RESOLVED, That the Planning Commission concurs with the recommendation of its departmental staff, and recommends that City Council Bill #15-0520 be passed by the City Council.

If you have any questions, please contact Mr. Wolde Ararsa, Division Chief, Land Use and Urban Design Division at 410-396-4488.

REQUEST: Street Closing/Alleys in the 1700 Blocks of Greenmount Avenue and Barclay Street – City Arts II

RECOMMENDATION: Approval

STAFF: Alexandra Hoffman

PLANNING DISTRICT: Central

COMPREHENSIVE PLANNER: Heather Martin

PETITIONER: The Administration
(On behalf of the Department of Housing and Community Development)

OWNER(S): Mayor and City Council

SITE AREA

Site Conditions: The subject portions of Right-of-Way are two alleys and the air rights over a third alley in the 1700 blocks of Greenmount Avenue and Barclay Street.

General Conditions: The subject portions of Right-of-Way are located in the Greenmount West neighborhood, between North Avenue to the north and the Jones Falls Expressway to the south, directly across from the historic Green Mount Cemetery to the east.

ANALYSIS

This proposed street closing would impact two alleys and the air rights over a third alley in the 1700 blocks of Greenmount Avenue and Barclay Street (see Figure 1: Block Plat, attached). The air rights over the portion of the 12-foot alley that intersects with Greenmount Avenue proposed for closure will begin at elevation 112 feet above sea level such that 17 feet will remain clear for vehicular access and utility maintenance. The Petitioner, the Department of Housing and Community Development, owns all of the properties adjacent to the subject portions Right-of-Way and is consolidating the properties for redevelopment. Brentwood Street, which bisects the redevelopment site, will remain open.

A utility investigation has been completed and the developer at their sole cost and expense will relocate or abandon the City-owned utilities.

It is staff's finding that the subject portions of Right-of-Way are not needed to provide access to adjacent properties since all of the properties are City-owned. Thus, the Right-of-Way is no longer needed for a public purpose and can be closed, declared surplus property and sold.

The Petitioner, the Department of Housing and Community Development, is consolidating the properties for redevelopment. The Department of Housing and Community Development has awarded the site through a Request for Proposal process to a development team that includes Homes for America, The Reinvestment Fund (TRF) and Jubilee Baltimore. The development team successfully completed an apartment building for artist housing and several for-sale townhouses in the 1500 block of Greenmount Avenue called City Arts. The development team is marketing this project as a second phase of City Arts, to be known as City Arts II.

City Arts II will include a 60-unit apartment building along Greenmount Avenue with a sally port below where the air rights are proposed to be closed, retaining 17 feet clear for vehicular access and utility maintenance. Five for-sale townhouses are proposed to face the new open space along Barclay Street. The development team has worked closely with the community on the design of the open space.

CONFORMITY TO PLANS

Comprehensive Master Plan: This proposed street closing is compatible with the Comprehensive Master Plan for Baltimore City, specifically:

LIVE

Goal 1: Build Human and Social Capital by Strengthening Neighborhoods

Objective 2: Strategically Redevelop Vacant Properties throughout the City

Greenmount West Master Plan: This proposed street closing is compatible with the Greenmount West Master Plan adopted by the Planning Commission on January 13, 2011. Specifically, the Master Plan recommended the consolidation of City-owned lots on the 1700 blocks of Greenmount Avenue and Barclay Street for a redevelopment of the site including an apartment building along the Greenmount Avenue frontage and a group of townhouses on Barclay Street that front a new open space along the street, consistent with the development team's proposal.

Greenmount Urban Renewal Plan: The subject portions of Right-of-Way are located within the Greenmount West Urban Renewal Plan which does not further restrict the proposed action.

COMMUNITY NOTIFICATION

The New Greenmount West Community Association and the Central Baltimore Partnership have been notified of the requested action.
