Re: City Council Bill No. 15-0546 – Building, Fire and Related Codes –
2015 Edition

Dear President and City Council Members:

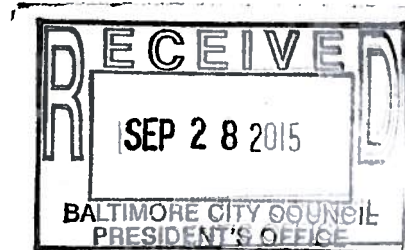

You have requested the advice of the Law Department regarding City Council Bill 15-0546. City Council Bill 546 revises the City's building, fire, property maintenance, electrical, plumbing, mechanical and related Codes to comport with changes to the relevant revised 2015 International codes and to repeal any obsolete, unclear or incorrect language.

The Law Department has no legal concerns with the bill. Accordingly, the Law Department approves City Council Bill 15-0546 for form and legal sufficiency.

Sincerely yours,

Elena R. DiPietro
Chief Solicitor
