**A COUNCIL RESOLUTION CONCERNING**

**Baltimore City Police Academy at Coppin State University**

1  
2 FOR the purpose of requesting that the Baltimore City Police Department do a thorough  
3 evaluation of the cost and resource benefits of conducting all or parts of Police Academy  
4 training and Police Officer enhanced training at Coppin State University’s Bishop L.  
5 Robinson Sr. Justice Institute to take advantage of Coppin State University’s expertise and  
6 state of the art facilities, and calling on representatives from the Police Department and  
7 Coppin State University to appear before the Council to discuss a mutually beneficial  
8 partnership for police training.

**Recitals**

9  
10 City government must always be on the lookout for opportunities to improve services for our  
11 citizens and empower employees to better serve our community. Training and education for  
12 public servants can be an important and efficient way to meet these goals, as can partnerships  
13 with the many world-class institutions that call Baltimore home.

14 A recent proposal to partner with Coppin State University’s Bishop L. Robinson Sr. Justice  
15 Institute for police training could represent just such a golden opportunity to leverage resources  
16 already existing in Baltimore to give more training and tools to some of Baltimore’s most critical  
17 public servants, provide direct linkage to community policing opportunities, and provide the  
18 opportunity for BPD officers to obtain bachelor and master degrees while partaking in required  
19 trainings.

20 Partnering with Coppin State University (CSU) for the police academy would allow BCPD  
21 trainees to enroll as full-time certificate seeking CSU students during their training period. They  
22 would then emerge with a certificate in their field from an accredited university and a head start  
23 on a bachelor’s degree in criminal justice should they decide to pursue additional education. A  
24 BCPD-CSU partnership would also strengthen the Department’s bond with the West Baltimore  
25 community, aid in recruiting ambitious officer candidates, and allow trainees to take advantage  
26 of training in cross disciplinary skills.

EXPLANATION: Underlining indicates matter added by amendment.  
~~Strike out~~ indicates matter stricken by amendment.

## Council Bill 15-0250R

1 Questions remain about how a Baltimore City Police Academy at CSU could best be created  
2 and structured, but it is clear that a partnership between CSU and the BCPD to train officers  
3 could greatly benefit both institutions, as well as Baltimore City Police Officers and the public at  
4 large. This idea should be seriously studied and considered.

5 **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE,** That the  
6 Council requests that the Baltimore City Police Department do a thorough evaluation of the cost  
7 and resource benefits of conducting all or parts of Police Academy training and Police Officer  
8 enhanced training at Coppin State University's Bishop L. Robinson Sr. Justice Institute to take  
9 advantage of Coppin State University's expertise and state of the art facilities, and calls on  
10 representatives from the Police Department and Coppin State University to appear before the  
11 Council to discuss a mutually beneficial partnership for police training.

12 **AND BE IT FURTHER RESOLVED,** That a copy of this Resolution be sent to the Mayor, the  
13 Police Commissioner, the President of Coppin State University, and the Mayor's Legislative  
14 Liaison to the City Council.
