	SUBJECT	City Council Bill 16-0674		

TO The Honorable President and
Members of the City Council
c/o Natawna Austin
Room 400 City Hall

June 14, 2016

I am herein reporting on City Council Bill 16-0674 Transit and Traffic – No Camper or Mobile Home Parking on Residential Streets for the purpose of prohibiting extended parking, standing, or stopping of camping trailers, mobile homes, motor homes, or travel trailers on residential streets; providing certain exceptions; setting certain penalties; and generally relating to the parking, standing, and stopping of camping trailers, mobile homes, motor homes, or travel trailers on City streets.

If enacted, this bill restrict the time that camping trailers, mobile homes, motor homes, or travel trailers may park on residential streets to one hour. This restriction will increase the availability of on-street parking for residents abutting those streets, especially where there is scares availability of curb parking spaces for those residents on neighbourhood streets.

DOT supports Councilman Kraft’s amendment to this bill. The amendment more clearly defines where camping trailers, mobile homes, motor homes, or travel trailers are prohibited.

DOT supports this bill as amended.

Thank you for this opportunity to comment.

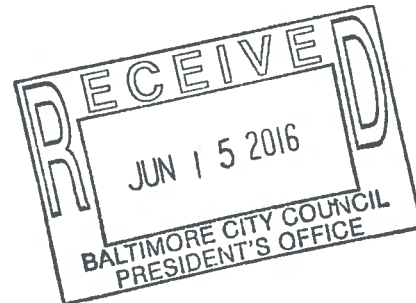

Respectfully,

Frank J. Murphy
