Re: City Council Bill 16-0683 – City Streets – Opening – The Beds of
Henneman Avenue and a 10-foot Alley

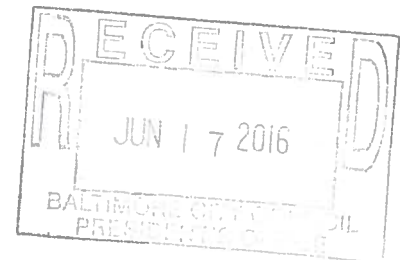

Dear Mr. President and City Council Members:

The Law Department has reviewed City Council Bill 16-0683 for form and legal sufficiency. The bill would allow the City to condemn and open the beds of Henneman Avenue and a 10-foot Alley bounded by East Biddle Street, North Wolfe Street, East Chase Street and Rutland Avenue. The bill also provides for an immediate effective date.

Section (34)(a) of Article II of the City Charter grants the Mayor and City Council the power to “construct, open, extend, widen, straighten or close streets, bridges, tunnels or approaches to them and other public ways of every kind within the bounds of the City.” Section 116(b)(2) of Article VII of the City Charter requires the Department of Transportation to prepare all ordinances for the opening and closing of streets. As this bill conforms to the applicable sections of the Charter, the Law Department approves it for form and legal sufficiency.

Sincerely,

Victor K. Tervalo
Chief Solicitor
