RE: Council Bill 16-0676

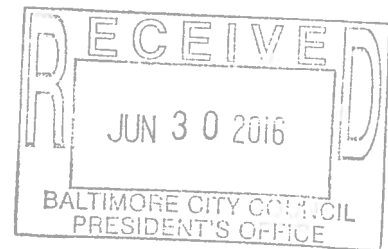

I am herein reporting on City Council Bill 16-0676 introduced by Councilmember Reisinger at the request of Washington-Monroe, LLC

The purpose of this bill is to approve certain amendments to the Development Plan of the Montgomery Park Business Center Planned Unit Development.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation. Because the legislation does not refer to parking, PABC defers to the Baltimore City Department of Planning's comments as they are the agency most involved with the surrounding communities' public interest, and the Baltimore City Department of Transportation as they are the agency that reviews signage intended for visibility from highways and roads.

Based on the comments above, the Parking Authority of Baltimore City defers to the Departments of Planning and Transportation.
