

AMENDMENTS TO COUNCIL BILL 16-0654
(Third Reader Copy)

By: Councilmember Middleton
{To be offered on the Council Floor}

Amendment No. 1

On page 1, after line 20, insert

“Together with appurtenant easements to install, operate, maintain, repair and replace an underground electrical transmission duct bank, aboveground overhead electric and communication utilities, storm water drainage, tree and shrub clearance, vegetative management, wetlands mitigation, forest conservation, stream mitigation and relocation, drainage, utilities and retaining wall tie-back, all as provided in a land disposition agreement approved by the Board of Estimates.”.

ADOPTED
