**TO:** Council President Bernard "Jack" Young  
**FROM:** Peter Little, Executive Director  
**DATE:** September 30, 2016  
**RE:** Council Bill 16-0695

**PARKING**  
OF BALTIMORE CITY  
**AUTHORITY**

I am herein reporting on City Council Bill 16-0695 introduced by Councilmember Mosby at the request of New Shiloh Baptist Church, Inc.

The purpose of this bill is to approve certain amendments to the Development Plan of the New Shiloh Baptist Church Planned Unit Development.

The Parking Authority of Baltimore City (PABC) reviewed the proposed legislation. The legislation does not explicitly address parking, therefore the parking requirements will be based on those of the underlying district and prescribed by the Zoning Code. According to the Department of Planning's report, the proposed development's parking requirements will be satisfied. This site is not located in an area where the Parking Authority administers any on-street parking programs.

Based on the comments above, the Parking Authority of Baltimore City supports the passage of City Council Bill 16-0695.
