A COUNCIL RESOLUTION CONCERNING

Development of the State Center Office Complex

1
2 FOR the purpose of urging the Governor of Maryland to return to the negotiating table with the
3 City of Baltimore and members of the State Center Neighborhood Alliance in order to
4 develop a solution that will address the needs of the surrounding community and that will
5 benefit the city as a whole, and to commit to keeping State Center's current slate of State
6 agencies and jobs in Baltimore City.

Recitals

7
8 **WHEREAS**, since it was built in 1954, the State Center office complex has physically
9 segregated nine historically connected neighborhoods in the heart of Central West Baltimore,
10 causing decades of hardship for the surrounding communities.

11 **WHEREAS**, in 2005, a public-private partnership was formed in order to alleviate the
12 decades-old community concerns by redeveloping State Center into a mixed-use development,
13 upgrading the dilapidated office spaces, and bringing much needed businesses to the area.

14 **WHEREAS**, at this time, a group of 12 community organizations formed the State Center
15 Neighborhood Alliance, and nearly a decade later, in a sweeping act of agreement and
16 cooperation, executed an historic community benefits agreement, which included a vital focus on
17 local hiring in order to replenish and nourish the community.

18 **WHEREAS**, redevelopment of the State Center complex presents the opportunity for
19 incredible transit and infrastructure growth and, as a transit oriented development site, presents
20 the opportunity to truly unite many disparate areas of the city.

21 **WHEREAS**, some members of the Board of Public Works have expressed a desire to tear State
22 Center down and replace it with an arena, causing the loss of over 3000 jobs within the City -
23 jobs that are primarily held by Baltimore City residents who live in the city and utilize public
24 transit.

25 **WHEREAS**, a viability study conducted in 2006 found State Center ranked 5th out of 6 sites
26 considered for a new arena location, because of construction issues related to the Baltimore
27 Metro Tunnel and a lack of width between Eutaw Street and Madison Street.

28 **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE**, that the
29 Council urges the Governor of Maryland to return to the negotiating table with members of the
30 State Center Neighborhood Alliance, the community, and the City of Baltimore to agree on a

4 Mayor, the Honorable Speaker of the House of Delegates, the Honorable President of the
5 Maryland Senate, the members of the Baltimore City Delegation to the General Assembly, and
