The Honorable President and
Members of the City Council
Room 400, City Hall

November 9, 2017

City Council Bill #17-0142 was created for the purpose of authorizing the Mayor and City Council of Baltimore to grant 3 perpetual easements for Supporting Slopes through property shown on MTA drawing RW-01 (Contract No. 0856-1540) Maryland Transit Administration Retaining Wall No. CN22475RW1NW south of Cold Spring Lane, Mayor and City Council of Baltimore Property Plat; and providing for a special effective date.

This action would allow for required support of slopes in areas that are not otherwise accessible or used for other public purposes.

This proposal generated no objections from other relevant City agencies, and there is not a significant fiscal impact for granting these easements. Therefore, the Department of Finance has no objection to the passage of Council Bill 17-0142.
