Re: City Council Bill 18-0237 – Supplementary Federal Fund Operating
Appropriation –Health Department– \$1,059,448

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 18-0237 for form and legal sufficiency. The bill provides a Supplementary Federal Fund Operating Appropriation in the amount of \$1,059,488 to the Baltimore City Health Department. The bill shall take effect on the date that it is enacted.

The City Charter establishes the criteria for making supplementary appropriations. City Charter, Art. VI, §8. Section 8(b) of Article VI of the City Charter permits such a supplementary appropriation to be made available to the appropriate municipal agency when funds become available from private or public sources that could not be expected with reasonable certainty at the time of the formulation of the proposed Ordinance of Estimates. The supplementary appropriation must be recommended by the Board of Estimates and must be approved by the Mayor and City Council via an ordinance, which may only encompass a “single program, purpose, activity or project.” See Sec. 8(c). The bill provides that the source of revenue is a grant from the Centers for Disease Control for a demonstration project for HIV/STD prevention programs to help implement a systems-wide organizational trauma-informed approach and cultural shift to support client health and well-being.

The Law Department approves this bill for form and legal sufficiency.

Sincerely yours,

Elena R. DiPietro
Chief Solicitor
