The Honorable President and
 Members of the City Council
 Room 400, City Hall

June 22, 2018

City Council Ordinance #18-0250 was created for the purpose of authorizing the Mayor and City Council of Baltimore to sell all its interest in the property known as 2200 Sinclair Lane (Block 4199, Lot 001). This property is no longer needed for public use.

The subject parcel (Block 4199, Lot 001) is an improved building that was previously the Lawrence G. Paquin School #457. The subject parcel is located in the Clifton Park neighborhood in the Northeast area of Baltimore City.

Since this property is no longer needed for public use, and because there is not a significant fiscal impact, the Department of Finance has no objection to the passage of Council Ordinance 18-0250.
