Members of the City Council  
Room 400, City Hall

August 6, 2018

City Council Bill #18-0271 is a proposed Charter Amendment that has been introduced for the purpose of declaring the inalienability of the City's sewer system and water-supply system; excepting the sewer and water-supply systems, their operations and uses, from the Charter provisions otherwise authorizing the grant of franchise or rights relating to the operation or use of public property or places; and submitting this amendment to the qualified voters of the City for adoption or rejection.

The Department of Finance defers to the Department of Public Works with regards to this charter amendment.
