Re: City Council Bill 18-0314 - Repeal of Ordinance 87-1171 – The Wyman Park Medical Center Joint Use Facility with the Johns Hopkins University Planned Unit Development

Dear Mr. President and City Council Members:

The Law Department has reviewed City Council Bill 18-0314 for form and legal sufficiency. The bill repeals Ordinance 87-1171, which designated certain properties as a Residential Planned Unit Development known as The Wyman Park Medical Center Joint Use Facility with the Johns Hopkins University Planned Unit Development. The bill has an immediate effective date.

The Law Department notes that upon repeal of a PUD, the uses and structures in the affected area, in some instances, may be considered non-conforming uses. The legal disposition of non-conforming uses and structures are regulated by Title 18 of Article 32. The Article places restrictions on changes in the uses and structures designated as non-conforming. Parties therefore are encouraged to review the Article to determine the legal constraints on property development following the repeal of the PUD.

The Law Department is prepared to approve the bill as drafted.

Sincerely,

A handwritten signature in black ink, appearing to read 'Victor K. Tervala'.
