City Council Bill #18-0280 is being introduced for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land known as the former bed of Dillon Street, extending from the east side of CSX Transportation Inc. Railroad easterly 201.24 feet to the west side of South Macon Street.

The parcel, containing 14,086.80 square feet (0.323 acres), is subject to a full width Perpetual Easement for all Municipal Utilities and Services, not to be abandoned, over the entire parcel of land. The property is no longer needed for public use. There is no anticipated fiscal impact.

The Department of Finance has no objection to the passage of Council Bill 18-0280.
