

TRANSMITTAL MEMO

TO: Council President Bernard "Jack" Young
FROM: Peter Little, Executive Director
DATE: February 28, 2019
RE: City Council Bill 19-0328

I am herein reporting on City Council Bill 19-0328 introduced by Councilman Dorsey.

The purpose of this bill is to amend the Urban Renewal Plan for Hamilton Business Area to modify the list of prohibited uses in the Community Commercial District to delete "Second hand stores."

The Parking Authority of Baltimore City reviewed the proposed legislation. The legislation does not reference parking; however, the Parking Authority does administer on-street metered parking within the boundaries of the Hamilton Business Area. The scope of this request will not affect on-street or off-street parking.

Based on the comments above, the Parking Authority of Baltimore City does not oppose the passage of City Council Bill 19-0328.
