City Council Bill #19-0364 is being introduced for the purpose of authorizing the Mayor and City Council of Baltimore to sell, at either public or private sale, all its interest in a certain parcel of land known as the former bed of a variable width alley located between 2 10-foot alleys bounded by Boone Street, East 22nd Street, Greenmount Avenue, and East 23rd Street and no longer needed for public use; and providing for a special effective date.

The parcels are subject to a full width Perpetual Easement for all Municipal Utilities and Services, not to be abandoned, over the entire parcel of land. The property is no longer needed for public use. There is no anticipated fiscal impact.

The Department of Finance has no objection to the passage of Council Bill 19-0364.
