To Whom It May Concern,

Friends of Reservoir Hill supports the joint RHIC and FORH housing and development committee recommendation for the renovation of 2437 Madison Avenue. FORH supports the proposed plan of four apartment units, one per floor and one in the basement; access to front and rear exits on each floor, and creation of a parking pad in the rear to accommodate five cars.

Sincerely,

A handwritten signature in blue ink that reads "Katherine Davis". The signature is written in a cursive, flowing style.

Katherine Davis

President of Friends of Reservoir Hill
