**A COUNCIL RESOLUTION CONCERNING**

**1 Recognizing Mayor Young’s Service to the Citizens of Baltimore**

2 FOR the purpose of recognizing and thanking Mayor Bernard C. “Jack” Young for his years of  
3 service to Baltimore City.

**4 Recitals**

5  
6 For the past 20-plus years, Mayor Bernard C. “Jack” Young has woken up each day with a  
7 single thought in his mind: how to make things better for the City and people of Baltimore.

8 Mayor Young began serving the residents of Baltimore City in October of 1996 as a  
9 Baltimore City Councilmember in what was then District 2. Mayor Young was subsequently  
10 re-elected to the Baltimore City Council until the districts were reformed to single-member seats  
11 in 2003. In that year, he was re-elected as the Councilmember from District 12 and was re-  
12 elected by his constituents again in 2007. In February 2010, his colleagues elected him to serve as  
13 President of the City Council when then-City Council President Stephanie C. Rawlings-Blake  
14 ascended to the Mayor’s Office. Mayor Young was re-elected as Council President twice and  
15 then himself ascended to become the 51<sup>st</sup> Mayor of Baltimore City. In total, he has served  
16 Baltimore City honorably and with the utmost dedication for the better part of the past 24 years.

17 In his years of service, he has never lost sight of the community in which he grew up and the  
18 betterment of the City, especially for the City’s youth. He sponsored an innovative Charter  
19 amendment creating a “Children and Youth Fund” so that our City’s children and youth could  
20 have a decided source of funding for programs and organizations that directly benefitted them.  
21 He was the sponsor of the bill that became our Inclusionary Housing law, and helped to shepherd  
22 the legislation that led to transformational changes that have occurred or will occur at the East  
23 Baltimore Development Inc. area, at Harbor Point, and at Port Covington. Moreover, Mayor  
24 Young has been a tireless champion for recreational opportunities for our youth in Baltimore City  
25 as he knows just how much good it can be to provide our kids with chances to get their energy  
26 out in positive ways.

27 In addition, Mayor Young has famously put on an annual Toys for Tots campaign, collecting  
28 scores of toys for underprivileged children. He increased funding for senior citizen activities and  
29 held an annual senior symposium to have a conversation with Baltimore seniors about their  
30 concerns and connecting them with vital government services.

## Council Bill 20-0264R

1 Never one to shy away from controversy when it meant doing the right thing, Mayor Young  
2 was the first elected official to request that the federal Department of Justice study and take  
3 action on Baltimore policing patterns and practices and was the lead sponsor of legislation to  
4 require body cameras be worn by all police officers at all times.

5 As Mayor, Mayor Young faced challenge-after-challenge, beginning with the ransomware  
6 attack and continuing to the COVID-19 pandemic, a summer of social justice protests, and a gas  
7 explosion in a residential Northwest Baltimore neighborhood. Throughout these challenges,  
8 Mayor Young continued to make the safety and welfare of Baltimoreans his highest priority and  
9 became the steadying hand at the helm that our City needed to navigate these times. Indeed,  
10 despite these challenges, as Mayor, Mayor Young worked with state legislators to develop a plan  
11 that would keep Preakness in Baltimore for perpetuity ending years of uncertainty.

12 Mayor Young's legacy as a public servant is pre-ordained. He served his City with humility,  
13 class, and always with an eye for the least fortunate among us. He believed to his core that  
14 government and the services it could offer was something that could be used to improve people's  
15 lives. There is no doubt that he has left his indelible mark on the city that he loves so much.

16 **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BALTIMORE,** That the  
17 Council, with the highest sense of gratitude, recognizes and thanks Mayor Bernard C. "Jack"  
18 Young for his years of service to Baltimore City.

19 **AND BE IT FURTHER RESOLVED,** That a copy of this Resolution be sent to the Mayor and the  
20 Mayor's legislative liaison to the City Council.
