**INTRODUCTION – Human Trafficking Notice Requirements--
Modifications**

PURPOSE/PLANS – For the purpose of requiring city-owned or -occupied buildings to place a notice regarding the human-trafficking prevention hotline in certain locations; deleting an obsolete reference to the “Maryland Department of Labor, Licensing, and Regulation”; providing that certain businesses may obtain the required human-trafficking notices from the United States Department of Homeland Security’s Blue Campaign website; and conforming and clarifying related provisions.

COMMENTS – The changes to this bill are minimal and would have no fiscal/operational impact.
