Board of Liquor License Commissioners for Baltimore City

The State of Maryland grants the Board authority to issue beer, wine and liquor licenses (BWL). In its deliberations, the Board determines whether a license is reasonably necessary for the convenience of the public. The Board also considers the number of beer, wine, and liquor outlets in a given area and the number of days the outlets are open, rather than the nature of the outlets.

Exchange of Class B-D-7 License

Section 12-902.1(d)(1) of the Alcoholic Beverages Article of the Annotated Code of Maryland authorizes a license holder of a valid Class B-D-7 BWL license issued on or before July 1, 2018, to apply to the Board to exchange the license for a Class A-7 BWL license if the license holder first obtains approval by resolution of the Baltimore City Council. The Board may not issue a Class A-7 BWL license on or after July 1, 2022.
