Re: Mayor and City Council Resolution 21-0165 – South Baltimore Gateway
Community Impact District and Management Authority

Dear President and City Council Members:

The Law Department has reviewed City Council Bill 21-0165 for form and legal sufficiency. If enacted the resolution would approve the continual existence of the South Baltimore Gateway Impact District as required under Section (69)(g) of Article II of the City Charter. Since this is the appropriate method to review and continue the Impact District, the Law Department can approve the bill for form and legal sufficiency.

Very truly yours,

Ashlea Brown
Chief Solicitor
