Ordinance 18-174 authorizes the City to issue from time to time its revenue obligations to finance stormwater facilities within the geographical limits of the City's stormwater system. The maximum aggregate principal amount of revenue obligations authorized to be outstanding, as of June 30 of each year, under Ordinance 18-174, is \$202,000,000.

Certain recent events have occurred that affect aggregate principal amount of revenue obligations that may be required to finance stormwater facilities, including (without limitation) an increase in the number of stormwater facilities that the City may desire to finance with the proceeds of revenue obligations.

Accordingly, the City desires to increase to \$320,000,000 the aggregate principal amount of the revenue obligations that may be outstanding, as of June 30 of each year, under Ordinance 18-174, as amended.

Section 1. Be it ordained by the Mayor and City Council of Baltimore, That Section 2(a) of Ordinance 18-174, is repealed, re-ordained, and amended to read as follows:

Section 2. And be it further ordained, That:

- (a) The issuance, sale and delivery of revenue obligations is hereby authorized for the public purpose of financing or refinancing the cost of the Financed Facilities and repaying the City for amounts expended on Financed Facilities in anticipation of the issuance of the revenue obligations, provided that as of June 30 of each year the aggregate principal amount of revenue obligations outstanding may not exceed \$320,000,000.

Section 2. And be it further ordained, That Ordinance 18-174, as amended by this Ordinance, continues in full force and effect.

Section 3. And be it further ordained, That this Ordinance takes effect on the date it is enacted.
