C. Techniques Used to Achieve Plan Objectives

1. Acquisition

a. Purposes for Acquiring Properties within the Project Area

Properties designated for acquisition on the Property Acquisition map, Exhibit 2, will be acquired by purchase or by condemnation for urban renewal purposes for clearance and redevelopment in accordance with the Park Heights Master Plan approved by the Planning Commission on February 2, 2006, and revised September 11, 2008. A list of addresses is provided in Appendix A. The acquisition of properties adjacent to or abutting streets and alleys being closed will also include all rights, title, and interest or any private rights of use in and to the adjacent streets, rights-of-way, or alleys.

b. Conditions under which Properties not Designated for Acquisition may be Acquired

(1) Non-Salvable and Noncompliance with provisions

It may be necessary to acquire by purchase or by condemnation for renewal purposes the fee simple interest or any lesser interest in and to such remaining properties or portions of them in Park Heights not specifically designated for

acquisition on the Property Acquisition map, Exhibit 2, as may be deemed necessary and proper by the Commissioner of the Department of Housing and Community Development to effect the proper implementation of the project. This may include:

- (a) any property in the Project Area containing a non-salvable structure. i.e., a structure that in the opinion of the Commissioner of the Department of Housing and Community Development cannot be economically rehabilitated.
 - (b) any property the owner of which is unable or unwilling to comply or conform to the codes and ordinances of Baltimore City within 12 months from the date of written notice of the required improvements. The Department of Housing and Community Development, after due consideration that the property owner has failed to achieve substantial conformity with the codes and ordinances of Baltimore City, may acquire such property pursuant to the Eminent Domain Law of this State as if the property had originally been planned for acquisition after 90 days' written notice to the owner. The Department of Housing and Community Development preserves the right to acquire any such non-complying property for a period of 2 years from the date of the written 90 days' notice by the Department of Housing and Community Development.
- (2) Rehabilitation by the Department of Housing and Community Development or others

It may be necessary to acquire by purchase or condemnation the fee simple interest, or any lesser interest in and to such of the remaining properties not specifically designated for acquisition on the Property Acquisition map in order to carry out rehabilitation by the Department of Housing and Community Development or for resale.

These properties are being acquired because:

- (a) it is necessary to make residential structures available for use for low- and moderate-income families; or
 - (b) rehabilitation on a structure-by-structure basis is infeasible, and assemblage of a group of properties is required to carry out the objectives set forth in this Plan.
- c. Actions to be followed by the Department of Housing and Community Development upon Acquisition of Properties

Upon the acquisition of such properties, the Department of Housing and Community Development will either:

- (1) demolish the structure or structures thereon and dispose of the land for redevelopment uses in accordance with this Plan; or
- (2) sell or lease the property subject to rehabilitation in conformance with the codes and ordinances of Baltimore City and the provisions set forth in this Plan; or
- (3) rehabilitate the property in conformance with the codes and ordinances of Baltimore City and the provisions set forth in this Plan and dispose of property in accordance with applicable regulations. If sale cannot be consummated by the time rehabilitation is accomplished, property may be rented pending continuing sale efforts.

2. Demolition

All applications for demolition permits shall be submitted to the Department of Housing and Community Development for review and approval. Upon finding that the proposed demolition is consistent with the objectives of the Renewal Plan, the Commissioner of the Department of Housing and Community Development shall authorize

the issuance of the necessary permit. If the Commissioner finds that the proposal is inconsistent with the objectives of the Renewal Plan and therefore denies the issuance of the permit, the Commissioner shall, within 90 days of such denial, seek approval of the Board of Estimates to acquire for and on behalf of the Mayor and City Council of Baltimore the property, in whole or in part on which the demolition was to have occurred, by purchase, lease, condemnation, gift or other legal means for the renovation, rehabilitation, and disposition thereof. In the event that the Board of Estimates does not authorize the acquisition, the Commissioner shall, without delay, issue the demolition permit.

3. Disposition

Properties designated for disposition on the Land Disposition map, Exhibit 3, shall be sold in whole or in part according to the following provisions.

a. Residential Development: Disposition Lots 1, 2, 3, 4, and 5

Residential streets are the fundamental building blocks of the Park Heights neighborhood. New housing development should take inspiration from and improve on Park Heights architectural character, while ensuring that residential neighborhoods are comfortable and livable for all residents.

(1) Disposition Lot 1 - This lot shall be sold in whole or in part to be developed for residential uses. Houses shall be single family detached or semi-detached.

(2) Disposition Lot 2 - This lot shall be sold in whole or in part to be developed for residential uses. Houses shall be single family detached or attached in groups up to 5.

(3) Disposition Lot 3 - This lot shall be sold in whole or in part, with the exception of Park Heights Avenue, to be developed for multi-family residential uses. Buildings must have a minimum of 4 stories and may include limited service retail on the first floor.

(4) Disposition Lot 4 - This lot shall be sold in whole or in part to be developed for residential uses. Houses shall be single family detached or attached in groups up to 5, subject to any prior restrictions from HUD.

(5) Disposition Lot 5 - This lot shall be sold in whole or in part to be developed for residential use. Housing shall be single family attached or multi-family.

b. Commercial Development: Disposition Lot 6

Neighborhood centers should provide a focus for concentrated commercial and mixed-use development while enhancing the public realm for the community.

(1) Disposition Lot 6 - This lot shall be sold in whole or in part to be developed for commercial uses. The lot shall include a full service grocery store. The lot should include additional retail. The lot may include office and/or multi-family housing above retail. The lot may include institutional uses. A pedestrian edge shall be maintained along Park Heights Avenue and Cold Spring Lane. The pedestrian environment shall include building edges, entrance doors, and windows, in addition to a wide sidewalk with trees and street furniture. Front doors shall face Park Heights Avenue and Cold Spring Lane and be directly accessible from the sidewalks along these streets. The intersection of Park Heights Avenue and Cold Spring Lane should be articulated through special design features. Driveways and parking lots shall be on Reisterstown Road and/or Wylie Avenue.

c. Streets and Alleys

Streets and alleys within, adjacent to or abutting Disposition Lots 1-6 may be sold in whole or in part consistent with the redevelopment of the lots.

d. Scattered Sites

Scattered City-owned sites, as shown on Exhibit 3, Land Disposition, may be sold or leased for development or rehabilitation in conformance with the codes and ordinances of Baltimore City consistent with the Land Use Map set forth in this Plan.

e. Properties not to be disposed of

Properties identified as "Public" on the Disposition Map are being acquired for public purposes, such as parks and schools. These sites shall not be sold.

4. Review of Development

a. Department of Housing and Community Development Review

The Department of Housing and Community Development or its designee specifically reserves the right to review and approve plans and specifications for development or rehabilitation with respect to their conformance with the provisions of the Renewal Plan and in order to achieve harmonious development of the Project Area. Such review and approval shall take into consideration, but shall not be limited to, the suitability of the site plan, architectural treatment, building plans, elevations, materials and color, construction details, access, parking, loading, landscaping, identification signs, exterior lighting, refuse collection details, streets, sidewalks and the harmony of the plans with the surroundings.

The Department of Housing and Community Development will fully utilize the Urban Design and Architectural Review Panel and the Site Plan Review Committee to work with Developers in the achievement of high quality site, building, and landscape design.

b. Review of Plans for New Construction, Exterior Rehabilitation, or Change in Use

All plans for new construction (including parking lots), rehabilitation, or change in use of any property not to be acquired under the provisions of this Plan shall be submitted to the Department of Housing and Community Development for review. The plans will then be forwarded to the Department of Planning for review as to compliance with the Park Heights Master Plan. Only upon finding that the proposed plans are consistent with the objectives and requirements of the Park Heights Master Plan shall the Commissioner of the Department of Housing and Community Development authorize the processing of the plans for issuance of a building permit. The provisions of this section are in addition to and not in lieu of all other applicable laws and ordinances relating to new construction.

5. Land Use

Only the use categories shown on the Land Use Plan, Exhibit 1, shall be permitted within the Project Area. The Land Use section of this plan identifies prohibited uses within each use category.

6. Zoning

All appropriate provisions of the Zoning Code of Baltimore City shall apply to properties in the Park Heights Renewal Area. Any change in the Zoning Code embodied in this Renewal Plan and designated on Exhibit 4, Zoning

Districts, shall be approved by ordinance in accordance with the procedural requirements of the Zoning Code of Baltimore City and Article 66B of the Maryland Code and the Park Heights Master Plan, as approved by the Planning Commission on February 2, 2006, and revised September 11, 2008.

D. Duration of Provisions and Requirements

The Park Heights Renewal Plan, as it may be amended from time to time, shall be in effect for a period of 40 years from the date the Plan is approved by the Mayor and City Council of Baltimore.

E. Procedures for Changes in Approved Plan

The Urban Renewal Plan may be amended from time to time upon compliance with the requirements of law, provided that prior to passage of any ordinance approving substantial plan changes a public hearing must be held, and providing further that, with respect to any land in the Project Area previously disposed of by the Department of Housing and Community Development, the then owner of such land, whose interests therein are materially affected by such changes, shall receive at least 10 days prior to such hearing written notice of the time and place of such hearing and information as to where a copy of the proposed amendments may be inspected.

F. Separability

In the event it be judicially determined that any word, phrase, clause, sentence, paragraph, section or part in or of this Plan or the application of it to any person or circumstances is invalid, the remaining provisions and the application of such provisions to other persons or circumstances shall not be affected thereby, it being hereby declared that the remaining provisions of this Plan without the word, phrase, clause, sentence, paragraph, section or part, or the application thereof, so held invalid, would have been adopted and approved.

SECTION 4. AND BE IT FURTHER ORDAINED, That the Urban Renewal Plan for Park Heights, identified as "Urban Renewal Plan, Park Heights", including Exhibit 1, "Land Use Plan", dated "July 21, 2008", Exhibit 2, "Property Acquisition", dated "July 21, 2008", Exhibit 3, "Land Disposition", dated "July 21, 2008", and Exhibit 4, "Zoning Districts", dated "July 21, 2008", and Appendices A and B, is approved, and the Clerk of the City Council is directed to file a copy of the Renewal Plan with the Department of Legislative Reference as a permanent public record and to make the same available for public inspection and information.

SECTION 5. AND BE IT FURTHER ORDAINED, That if the Urban Renewal Plan approved by this Ordinance in any way fails to meet the statutory requirements for the content of a renewal plan or for the procedures for the preparation, adoption, and approval of a renewal plan, those requirements are waived and the Urban Renewal Plan approved by this Ordinance is exempted from them.

SECTION 6. AND BE IT FURTHER ORDAINED, That if any provision of this Ordinance or the application of this Ordinance to any person or circumstance is held invalid for any reason, the invalidity does not affect any other provision or any other application of this Ordinance, and for this purpose the provisions of this Ordinance are declared severable.

SECTION 7. AND BE IT FURTHER ORDAINED, That if a provision of this Ordinance concerns the same subject as a provision of any zoning, building, electrical, plumbing, health, fire, or safety law or regulation, the applicable provisions shall be construed to give effect to each. However, if the provisions are found to be in irreconcilable conflict, the one that establishes the higher standard for the protection of the public health and safety prevails. If a provision of this Ordinance is found to be in conflict with an existing provision of any other law or regulation that establishes a lower standard for the protection of the public health and safety, the provision of this Ordinance prevails and the other conflicting provision is repealed to the extent of the conflict.

SECTION 8. AND BE IT FURTHER ORDAINED, That this Ordinance takes effect on the 30th day after the date it is enacted.
