A RESOLUTION ENTITLED

A RESOLUTION OF THE MAYOR AND CITY COUNCIL concerning
In Support of State Legislation - House Bill 157 - State Government - Commemorative Days - Maryland Women's History Day

FOR the purpose of expressing strong support for this legislation that requires the Governor to annually proclaim March 8 as Maryland Women’s History Day; urging the Honorable Chair and Members of the House Health and Government Operations Committee to give the bill a favorable report; requesting the Honorable Chair and Members of the Baltimore City House Delegation to the 2011 Maryland General Assembly to support passage of the legislation; respectfully calling upon the Governor to sign House Bill 157 into law; and providing for a special effective date.

Recitals

House Bill 157, which requires the Governor to annually proclaim March 8 as Maryland Women’s History Day, is of particular import to the City of Baltimore, proud home to the Maryland Women’s Heritage Center, the first comprehensive state-based center and museum of its kind in the United States.

The Maryland Women’s Heritage Center, located at 39 West Lexington Street in downtown Baltimore, was established to preserve the past, understand the present, and shape the future by recognizing, respecting, and transmitting the experiences and contributions of Maryland women and girls of diverse backgrounds and regions.

Our History is Our Strength, the 2011 theme of the National Women’s History Project, reminds us that “the stories of women’s achievements are integral to the fabric of our history. Learning about women’s tenacity, courage, and creativity throughout the centuries is a tremendous source of strength. Until relatively recently, this sphere of women’s history was overlooked and undervalued. Women’s achievements were often distorted, disdained, and denied. But knowing women’s stories provides essential role models for everyone. And role models are genuinely needed to face the extraordinary changes and unrelenting challenges of the 21st century.”

The Council Resolution, In Celebration of National Women’s History Month 2020, a celebration of the day as well as the opening of the Women’s Heritage Center, endorsed the Executive Director’s goal of overcoming the historic omission that has resulted in women’s extraordinary accomplishments being largely invisible and applauded the fact that the Maryland Women’s Heritage Center will make history complete by living up to the motto: Adding herstory to history to tell ourstory, so everyone is included.

Designating March 8 each year as Maryland Women’s History Day pays fitting homage to our Maryland heroines, past and present, sung and unsung alike.
