By authority of

Article 13 - Housing and Urban Renewal
Section 2-6
Baltimore City Code
(Edition 2000)

Recitals

The Urban Renewal Plan for Mondawmin Transit Station was originally approved by the Mayor and City Council of Baltimore by Ordinance 79-1026.

An amendment to the Urban Renewal Plan for Mondawmin Transit Station is necessary to amend Exhibit 1, “Land Use Plan”, to correct the land use designation of the property known as 2700 Reisterstown Road to conform to the property’s existing zoning district classification.

Under Article 13, § 2-6 of the Baltimore City Code, no change may be made in any approved renewal plan unless the change is approved in the same manner as that required for the approval of a renewal plan.

Section 1. Be it ordained by the Mayor and City Council of Baltimore, That the following change in the Urban Renewal Plan for Mondawmin Transit Station is approved:

- (1) The land use designation of the property known as 2700 Reisterstown Road, as shown on Exhibit 1, “Land Use Plan”, is changed from Public to Community Business to reflect the existing B-2-2 zoning district classification of the property.

Section 2. And be it further ordained, That the Urban Renewal Plan for Mondawmin Transit Station, as amended by this Ordinance and identified as “Urban Renewal Plan, Mondawmin Transit Station, revised to include Amendment _, dated July 18, 2016”, is approved. The Department of Planning shall file a copy of the amended Urban Renewal Plan with the Department of Legislative Reference as a permanent public record, available for public inspection and information.

Section 3. And be it further ordained, That if the amended Urban Renewal Plan approved by this Ordinance in any way fails to meet the statutory requirements for the content of a renewal plan or for the procedures for the preparation, adoption, and approval of a renewal plan, those requirements are waived and the amended Urban Renewal Plan approved by this Ordinance is exempted from them.

Section 4. And be it further ordained, That if any provision of this Ordinance or the application of this Ordinance to any person or circumstance is held invalid for any reason, the invalidity does not affect any other provision or any other application of this Ordinance, and for this purpose the provisions of this Ordinance are declared severable.

Section 5. And be it further ordained, That if a provision of this Ordinance concerns the same subject as a provision of any zoning, building, electrical, plumbing, health, fire, or safety law or regulation, the applicable provisions shall be construed to give effect to each. However, if the provisions are found to be in irreconcilable conflict, the one that establishes the higher standard for the protection of the public health and safety prevails. If a provision of this Ordinance is found to be in conflict with an existing provision of any other law or regulation that establishes a lower standard for the protection of the public health and safety, the provision of this Ordinance prevails and the other conflicting provision is repealed to the extent of the conflict.

Section 6. And be it further ordained, That this Ordinance takes effect on the date it is enacted.
