Section (62A)  
Baltimore City Charter  
(1996 Edition)

### **Recitals**

The Special Taxing District Act, Article II, Section (62A) of the Baltimore City Charter (the “Special Taxing District Act”), authorizes the Mayor and City Council of Baltimore (the “City”) to establish a “special taxing district” (as defined in the Special Taxing District Act) and a special fund into which the special taxes levied in the special taxing district are deposited for the purpose of providing financing, refinancing, or reimbursement for the cost (as defined in the Special Taxing District Act) of infrastructure improvements (as defined in the Special Taxing District Act).

The Special Taxing District Act also authorizes the City, subject to certain requirements, to

borrow money by issuing and selling Bonds (defined herein), for the purpose of providing financing, refinancing, or reimbursement for the cost of the infrastructure improvements.

The Special Taxing District Act also authorizes the City, subject to certain requirements, to use the special tax revenues to pay or reimburse the City for debt service which the City is obligated to pay or has paid (whether such obligation is general or limited) on Bonds or, under a Contribution Agreement, to a State Issuer (as such terms are defined herein) for the payment of principal of and interest on applicable State Obligations (defined herein) for the purpose of providing financing, refinancing, or reimbursement for the cost of infrastructure improvements.

The City has been requested to designate and create the Perkins Somerset Oldtown Special Taxing District from both (i) the owners of at least two-thirds of the assessed valuation of the real property located in the proposed special taxing district and (ii) at least two-thirds of the owners of the real property located in the proposed special taxing district as determined by the provisions of the Special Taxing District Act.

The Special Taxing District Act provides that before any bonds may be issued, the City must enact an ordinance that (i) designates an area or areas as a “special taxing district”; (ii) creates a special fund for the special taxing district; and (iii) provides for the levy of an ad valorem or special tax on all real and personal property in the special taxing district at a rate or amount designed to provide adequate revenues to pay the principal of, interest on, and redemption premium, if any, on the Bonds and the amount payable under a Contribution Agreement to a State Issuer for the payment of the principal of and interest on applicable State Obligations, to replenish any debt service reserve fund, and for any other purpose related to the ongoing expenses of or security for the Bonds or the payment obligations under the Contribution Agreement.

The City wishes to establish a special taxing district within Baltimore City, establish a special fund for the special taxing district, and provide for the levy of a special tax on all taxable real and personal property in the special taxing district for the purpose of providing funds for the costs of the infrastructure improvements and related costs permitted by the Special Taxing District Act, including, without limitation, the Project (defined herein).

**Section 10. And be it further ordained,** *That the provisions of this Ordinance are severable. If any provision, sentence, clause, section or other part of this Ordinance is held or determined to be illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, that illegality, invalidity, unconstitutionality, or inapplicability does not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of this Ordinance or their application to other persons or circumstances. It is the intent of the Mayor and City Council that this Ordinance would have been passed even if the illegal, invalid, unconstitutional, or inapplicable provision, sentence, clause, section, or other part had not been included in this Ordinance, and as if the person or circumstances to which this Ordinance or part are inapplicable had been specifically exempted.*
