By Ordinance 01-192, as amended by Ordinances 02-369, 03-641, 04-873, and 07-633, the Mayor and City Council (i) approved the application of Canton Crossing, LLC, to have certain property located south of Boston Street, the western boundary being east of the Inner Harbor including the riparian rights, the eastern boundary being South Haven Street, and the southern boundary being the southern right-of-way of Danville Avenue extending from the water's edge a distance of 660 feet east of the eastern right-of-way line of Baylis Street, consisting of 67.52 acres, more or less, designated as an Industrial Planned Unit Development and (ii) approved the Development Plan submitted by the applicant.

BCP Investors, LLC (the "applicant"), is the owner of Block 6505, Lots 1/9 and 10 and is the ground lessee of Block 6505, Lot A (collectively, the "Property"). The applicant wishes to amend the Development Plan, as previously approved by the Mayor and City Council, to modify the boundaries of the Industrial Planned Unit

Development to remove property from the Planned Unit Development.

On August 2, 2011, representatives of the applicant met with the Department of Planning for a preliminary conference to explain the scope and nature of the proposed amendments to the Development Plan.

The representatives of the applicant have now applied to the Baltimore City Council for approval of these amendments, and they have submitted amendments to the Development Plan intended to satisfy the requirements of Title 9, Subtitles 1 and 5 of the Baltimore City Zoning Code.
