City of Baltimore Council Bill R (Resolution)

Introduced by: Councilmember Stokes

A Resolution Entitled

A Council Resolution concerning **Informational Hearing - Gas Regulator Installation Location**

For the purpose of inviting representatives from the Department of Public Works, the Commission for Historical and Architectural Preservation, the Baltimore Gas and Electric Company, and relevant stakeholder groups to brief the City Council on the ongoing installation of gas regulators at residential sites, including a discussion of best practices for the internal or external installation of a gas regulator at a residential property, a discussion of safety considerations with regard to the location of a gas regulator, and a response to recent community concerns related to the relocation of gas regulators at residential properties in Baltimore City.

Now, therefore, be it resolved by the City Council of Baltimore, That the City Council invites representatives from the Department of Public Works, the Commission for Historical and Architectural Preservation, the Baltimore Gas and Electric Company, and relevant stakeholder groups to brief the City Council on the ongoing installation of gas regulators at residential sites, including a discussion of best practices for the internal or external installation of a gas regulator at a residential property, a discussion of safety considerations with regard to the location of a gas regulator, and a response to recent community concerns related to the relocation of gas regulators at residential properties in Baltimore City.

And be it further resolved, That a copy of this Resolution be sent to the Director of the Department of Public Works, the Chair of the Commission for Historical and Architectural Preservation, the Chief Executive Officer of the Baltimore Gas and Electric Company, and the Mayor's Legislative Liaison to the City Council.
