(2) Retail sales in these neighborhood shopping areas have decreased, and the loss of revenue has caused a gradual disinvestment in the commercial properties, vacancies, and, in the worst cases, abandonment by property owners. This disinvestment negatively affects the surrounding residential community, results in the loss of jobs and property taxes to the City, and requires the City to assume responsibility for [such] THESE properties.

(e) Management program needed.

(1) However, in order for neighborhood business districts to compete more efficiently for business with suburban shopping centers, funds and a management system are necessary to provide advertising and promotional activities AND ENHANCED SANITATION AND SECURITY SERVICES for the entire district.

(3) The management program created in this subtitle will harness the energies of the business community and provide it with the necessary funding through a Retail Business District License Fee. Furthermore, the proposed program will enable all business establishments within the boundaries of a given Retail Business District to join in [a] promotional, SANITATION, AND PUBLIC SAFETY [effort] EFFORTS not economically feasible for many individual businesses without [such] a program OF THIS SORT. The City Council finds that this program serves a public purpose and enhances the general welfare of the citizens of Baltimore City.

§ 119] Business Associations.

(c) General responsibilities.

The Business Association [shall be] IS responsible for:

(1) [the conduct of] CONDUCTING a management program to provide promotional, SANITATION, AND PUBLIC SAFETY services for the District; and
