Title: Request for State Action - Removing Financial Incentives for Trash Incineration
For the purpose of supporting changes to State law governing Maryland’s Renewable Portfolio Standard (“RPS”) that remove incentives for the incineration of trash under the RPS; supporting an increase in the amount of renewable electricity required under the RPS to 50% by 2030; supporting investing in clean-energy workforce development while targeting economically distressed parts of the State and individuals who have historically experienced barriers to employment; and supporting the availability of more funding for investment capital and loans to help minority, veteran, and woman-owned businesses grow within the clean energy economy.
