Title: "Return to Sender" - In Opposition to Proposed Post Office Closings

FOR the purpose of opposing the inclusion of 8 Baltimore City post offices on the list of post offices being reviewed for possible closure; questioning the rationale for the entire post office closure process and the apparent targeting of low income and minority post office service areas; and calling on the Baltimore City Congressional Delegation to take all necessary steps to ensure that the City's post offices are removed from the list of locations being reviewed for possible closure.
