The revenue appropriated by this Ordinance represents grants from the Federal Second Chance Act and the Maryland Department of Juvenile Services to the Baltimore City Health Department Office of Youth Violence Prevention in excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2013.

That grant could not have been expected with reasonable certainty when the Ordinance of Estimates for Fiscal Year 2013 was formulated.

On February 27, 2013, the Board of Estimates recommended this appropriation to the City Council.

The source of revenue for this appropriation is grants from the Federal Second Chance Act and the Maryland Department of Juvenile Services to the Baltimore City Health Department Office of Youth Violence Prevention in excess of the amount from this source that was relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2013.

SECTION 2. AND BE IT FURTHER ORDAINED, That this Ordinance takes effect on the date it is enacted.
