Sections (62) and (62A)
Baltimore City Charter
(1996 Edition)

Recitals

Article II, Section (62) of the Baltimore City Charter (the “Tax Increment Act”) authorizes the Mayor and City Council of Baltimore (the “City”) to establish a “development district” (as defined in the Tax Increment Act) and a special, tax increment fund into which the revenues and receipts from the real property taxes representing the levy on the “tax increment” (as defined in the Tax Increment Act) for the development district are deposited for the purpose of providing funds for the development of the development district.

Pursuant to an Ordinance enacted prior to or simultaneously with this Ordinance (the “Tax Increment Ordinance”), the City has:

- (i) designated the Westport Waterfront Development District (the “Development District”);
- (ii) created the Westport Waterfront Development District Tax Increment Fund;
- (iii) provided that until Bonds or State Obligations (as such terms are defined herein) issued with respect to the Development District have been fully paid, the property taxes on real property in the Development District shall be divided as provided in the Tax Increment Act; and
- (iv) made other findings and determinations with respect to the Development District.

Article II, Section (62A) of the Baltimore City Charter (the “Special Taxing District Act”) authorizes the City to establish a “special taxing district” (as defined in the Special Taxing District Act) and a special fund into which the special taxes levied in the special taxing district are deposited, for the purpose of providing financing, refinancing, or reimbursement for the cost (as defined in the Special Taxing District Act) of infrastructure improvements (as defined in the Special Taxing District Act).

Pursuant to an Ordinance enacted prior to or simultaneously with this Ordinance (the “Special Taxing District Ordinance”), the City has:

- (i) designated the Westport Waterfront Special Taxing District (the “Special Taxing District”);
- (ii) created the Westport Waterfront Special Taxing District Special Fund;
- (iii) authorized the levy of a special tax on all real and personal property within the Special Taxing District pursuant to the Rate and Method (as defined herein); and
- (iv) made certain other findings and determinations with respect to the Special Taxing District.

The Tax Increment Act authorizes the City, subject to certain requirements, to pay or be reimbursed for the payment of debt service and related costs which the City is obligated to pay or has paid on Bonds or State Obligations, the proceeds of which provided funds for the financing and refinancing of the development of an industrial, commercial or residential area in Baltimore City.

The Special Taxing District Act authorizes the City, subject to certain requirements, to pay or be reimbursed for the payment of debt service and related costs which the City is obligated to pay or has paid on Bonds or State Obligations, the proceeds of which provided funds for the financing, refinancing, or reimbursement for the cost of infrastructure improvements.

The City has determined to make a pledge of certain tax revenues to a State Issuer in order to finance the costs of infrastructure improvements within the Special Taxing District and the Development District.

MEDCO (defined herein), pursuant to a resolution adopted on February 25, 2008, authorized the issuance of its non-recourse, tax-exempt, limited obligation revenue bonds, from time to time and in one or more issues or series, pursuant to the provisions of Sections 5-201 through 5217, inclusive, of Article 83A of the Annotated Code of Maryland, as amended, for the purpose of financing and refinancing the costs of the Project (as defined herein).

The City wishes (i) to authorize the pledge of certain tax revenues and the execution and delivery by the City of a written contribution agreement evidencing such pledge and (ii) to approve the issuance of State Obligations to

provide funds for the costs of the infrastructure improvements permitted by the Acts, including, without limitation, street and road improvements, the acquisition of land, construction of buildings to provide units of affordable housing and public improvements relating to the development of residential, commercial and office uses within the Development District and the Special Taxing District or, if outside the Special Taxing District, reasonably related to improvements within such Special Taxing District.

The City also wishes to determine various matters in connection with the foregoing, including authorizing the Board of Finance to undertake additional actions in connection with the issuance of additional State Obligations to finance the remaining costs of the Project.

- (a) accomplishes the purposes of the Acts;
- (b) serves public purposes, including the direct and indirect enhancement of the taxable base of the City, the facilitation of planned improvements to the Development District and the Special Taxing District, the creation of new employment opportunities, the encouragement of additional economic activities, the development or redevelopment of slum, blighted or deteriorated areas, the undertaking of urban renewal projects and the furtherance of economic development conducted pursuant to comprehensive plans; and
- (c) generally promotes the health, welfare, and safety of the residents of the State of Maryland and of the City of Baltimore.

SECTION 3. AND BE IT FURTHER ORDAINED, That:

- (a) The City approves the issuance from time to time of one or more issues or series of State Obligations by a

State Issuer in an aggregate principal amount not to exceed \$160,000,000.

(b) The Initial State Obligations may be issued by MEDCO in an aggregate principal amount not to exceed \$40,000,000. Thereafter, subsequent series or issues of State Obligations may be approved from time to time by the Board of Finance.

SECTION 4. AND BE IT FURTHER ORDAINED, That:

(a) The Tax Increment Revenues are authorized to be pledged pursuant to the Contribution Agreement to provide for the payment by the State Issuer of the principal of and interest and other related costs on the State Obligations. However, the Tax Increment Revenues shall not be irrevocably pledged, and the obligation of the City under the Contribution Agreement to pay the Tax Increment Revenues to the State Issuer is subject to annual appropriation by the City.

- (2) the amount of City expenses and State Issuer Expenses due and payable and to become due and payable in that fiscal year.

SECTION 5. AND BE IT FURTHER ORDAINED, That the pledge of certain tax revenues and the City's obligations under the Contribution Agreement are special obligations of the City. SECTION 6. AND BE IT FURTHER ORDAINED, That this Ordinance authorizes, but does not require, the City to execute a Contribution Agreement. The City shall not create or incur any obligation to any owner or State Issuer with regard to the matters contemplated or described in this Ordinance unless and until the Contribution Agreement is executed and delivered on behalf of the City, and then only to the extent provided in such Contribution Agreement or other documents executed and delivered by the City in connection with the Contribution Agreement.

- (a) No Special Tax shall be levied unless the Tax Increment Revenues are not sufficient to satisfy the City's obligations under the Contribution Agreement and to pay the City expenses. The amount of the Special Tax required to be levied in any tax year to provide for the satisfaction of the City's obligations under the Contribution Agreement may be reduced to the extent that amounts are otherwise made available to the State Issuer for the payment of the City's obligations under the Contribution Agreement. The amount of the Special Tax required to be levied in any tax year to provide for the payment of City expenses may be reduced to the extent that amounts are held under the Indenture, or amounts are otherwise made available to the City are available for the payment of City expenses in that tax year.
- (b) The City covenants to levy the Special Tax, in accordance with the Rate and Method, up to the maximum special tax provided in the Rate and Method, at a rate and amount at least sufficient to satisfy the City's obligations under the Contribution Agreement and to pay City expenses and State Issuer Expenses (to the extent these expenses are not otherwise provided for), to the extent capitalized interest and other amounts available under the Indenture, the Tax Increment Revenues, and any amounts in the Tax Increment Fund are insufficient. The Special Tax also may be levied with respect to refunding State Obligations without notice to or the consent of the property owners in the Special Taxing District as provided in the Indenture.
- (c) The Special Tax Revenues are authorized to be pledged pursuant to the Contribution Agreement to provide for the payment by the State Issuer of the principal of and interest and other related costs on the State Obligations. However, the Special Tax Revenues are not irrevocably pledged, and the obligation to pay the obligations of the City under the Contribution Agreement from the Special Tax Revenues is subject to annual appropriation by the City.

SECTION 9. AND BE IT FURTHER ORDAINED, That:

- (a) Each of the following documents shall be executed in the name of the City and on its behalf by the Mayor or Director of Finance, by manual signature and, if necessary, the corporate seal of the City or a facsimile of it shall be impressed or otherwise reproduced on the documents and attested by the Custodian or Alternate Custodian of the City Seal, by manual signature:
 - (1) the Contribution Agreement;
 - (2) the development agreement(s) to be entered into among the City, the State Issuer or any other governmental entity, if necessary, and the developer(s) of the Development District to provide for the construction by the developer(s) of the Project; and

(3) any other documents the Board of Finance considers necessary for the issuance, sale and delivery of the State Obligations and the Contribution Agreement.

(b) If any officer whose signature or countersignature appears on any document ceases to be an officer before the delivery of such document, the signature or countersignature shall nevertheless be valid and sufficient for all purposes, as if the officer had remained in office until delivery.

(c) The Mayor, the Director of Finance, the Custodian of the City Seal and the Alternate Custodian of the City Seal, and other officials of the City are authorized and empowered to do all acts and things and execute all documents and certificates as the Board of Finance determines to be necessary to carry out the provisions of this Ordinance, subject to the limitations set forth in the Acts, the Tax Increment Ordinance, the Special Taxing District Ordinance, and this Ordinance.

SECTION 10. AND BE IT FURTHER ORDAINED, That the Board of Finance shall prescribe or approve by resolution any of the following as it deems appropriate to finance the Project:

(a) the principal amount of the State Obligations to be issued;

(b) the rate or rates of interest the State Obligations are to bear or the method for determining the same;

(c) the manner in which and the terms upon which the State Obligations are to be sold;

(d) the manner in which and the times and places that the interest on the State Obligations is to be paid;

(e) the time or times that the State Obligations may be executed, issued and delivered;

(f) the form and tenor of the State Obligations and the denominations in which the State Obligations may be issued;

(g) the manner in which and the times and places that the principal of the State Obligations is to be paid, within the limitations set forth in the Acts;

(h) provisions pursuant to which any or all of the State Obligations may be called for redemption prior to their stated maturity dates;

(i) the terms and provisions of any Indenture, development agreement(s) and contribution agreement, including, without limitation, the Contribution Agreement to be executed by or on behalf of the City and any person in connection with the pledge of certain tax revenues;

(j) provisions establishing sinking funds or debt service reserve funds for the State Obligations;

(k) provision for municipal bond insurance or any other type of financial guaranty of the State Obligations;

(l) provisions pledging other assets and revenues towards the payment of the principal of and interest on the State Obligations; and

(m) any other provisions not inconsistent with the Charter (including the Acts), the Tax Increment Ordinance, the Special Taxing District Ordinance, this Ordinance and other applicable law as the Board

of Finance determines to be necessary or desirable to finance the Project.

SECTION 11. AND BE IT FURTHER ORDAINED, That:

(a) Before the State Obligations are issued, the Director of Finance shall record among the Land Records of the City, at the cost of the Special Taxing District, a declaration that:

(1) encumbers all real property located in the Special Taxing District, except for property exempt by law or the Special Taxing District Ordinance; and

(2) designates that property as subject to the Special Taxing District.

(b) The declaration shall terminate when the Director of Finance records a release stating that all State Obligations are fully repaid or have been defeased.

SECTION 12. AND BE IT FURTHER ORDAINED, That any approvals, authorizations, or activities provided in this Ordinance do not constitute and may not be deemed to constitute or imply that the City Council, the Mayor, or any department, office or agency of the City has given or will give, any approval, authorization or consent to any action or activity within or required for the development of the Districts, including any land use approval, requirements for the provision of public utilities or services, or any other administrative, judicial, quasi-judicial, or legislative approval, authorization or consent.

SECTION 13. AND BE IT FURTHER ORDAINED, That the provisions of this Ordinance are severable. If any provision, sentence, clause, section or other part of this Ordinance is held or determined to be illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, that illegality, invalidity, unconstitutionality, or inapplicability does not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of this Ordinance or their application to other persons or circumstances. It is the intent of the City that this Ordinance would have been passed even if the illegal, invalid, unconstitutional, or inapplicable provision, sentence, clause, section, or other part had not been included in this Ordinance, and as if the person or circumstances to which this Ordinance or part are inapplicable had been specifically exempted.

SECTION 14. AND BE IT FURTHER ORDAINED, That this Ordinance takes effect on the date it is enacted.
