Recitals

The revenue appropriated by this Ordinance represents a grant from Federal Revenue administered through the Maryland Energy Administration in excess of the revenue relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2011.

That grant could not have been expected with reasonable certainty when the Ordinance of Estimates for Fiscal Year 2011 was formulated.

On February 2, 2011, the Board of Estimates recommended this appropriation to the City Council.

SECTION 1. BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF BALTIMORE, That \$100,000 shall be made available to the Department of General Services - Program #9916 as a Supplementary Federal Fund Appropriation for Fiscal Year 2011, to provide funding to support energy efficiency and conservation programs serving low-to-moderate income residents. The source of revenue for this appropriation is the grant from Federal Revenue administered through the Maryland Energy Administration in excess of the amount from this source that was relied on by the Board of Estimates in determining the tax levy required to balance the budget for Fiscal Year 2011.

SECTION 2. AND BE IT FURTHER ORDAINED, That this Ordinance takes effect on the date it is enacted.
