and

Article - Local Government  
Title 19  
Annotated Code of Maryland

**Recitals**

Ordinance 02-331 authorizes the City to issue from time to time its revenue obligations to finance water facilities within the geographical limits of the City's water system. The maximum aggregate principal

amount of revenue obligations authorized to be outstanding, as of June 30 of each year, under Ordinance 02-331, as last amended by Ordinance 14-292, is \$2,152,000,000.

Certain recent events have occurred that affect aggregate principal amount of revenue obligations that may be required to finance water facilities, including (without limitation) an increase in the number of water facilities that the City may desire to finance with the proceeds of revenue obligations. The current means for calculating the revenue obligations outstanding does not take into account the repayment of prior revenue obligations thereby impairing the City's ability to issue new revenue obligations within the maximum amount authorized.

In addition, it is in the best interest of the City to amend and restate Ordinance 02-331 *to authorize the Board of Finance to specify, prescribe, determine, provide for, approve, and amend, from time to time, the form, terms, provisions, manner or method of issuing and selling the revenue obligations (including negotiated as well as competitive bid sales), time or times of issuance, security for the revenue obligations, and all other details of the revenue obligations and other matters necessary or desirable in connection with the authorization, issuance, sale, and payment of the revenue obligations and to do all things necessary, proper, or expedient in connection with the issuance and sale of the revenue obligations.*

**Section 1. Be it ordained by the Mayor and City Council of Baltimore,** That Ordinance 02-331, as amended by Ordinances 04-687, 07-420, 11-429, and 14-292, is repealed, re-ordained, and amended to read as follows:

*(b) These revenue obligations may comprise any combination of (i) revenue notes,*

(ii) revenue bonds, (iii) refunding revenue notes, and (iv) refunding revenue bonds.

(c) Refunding obligations issued under this Ordinance to refund any revenue obligations previously issued under this Ordinance replace that portion of the authorized amount previously issued and does not reduce the maximum authorized amount of revenue obligations permitted to be issued under this Ordinance.

(d) The aggregate principal amount of revenue obligations authorized to be issued under this Ordinance must be restored by an amount equal to the principal amount of revenue obligations paid, purchased, cancelled or otherwise provided for whenever:

(1) the principal of any revenue obligations previously issued is paid, whether at maturity, on redemption or otherwise;

*Section 3. And be it further ordained, That:*

- (a) The revenue notes, revenue bonds, or refunding obligations, as the case may be, may be issued in one or more series from time to time.*
- (b) Unless otherwise specified in the Administrative Resolution, each series [shall] must be identified by a year and a letter designation. Thus, for example, the first series in the year [2002] 2021 (if more than one series of notes or bonds is issued in the year [2002] 2021) [shall] must be designated “Revenue Notes (Water Projects), Series [2002-A] 2021-A”; “Revenue Bonds (Water Projects), Series [2002-A] 2021-A”; “Refunding Revenue Notes (Water Projects), Series [2002-A] 2021-A”; or “Refunding Revenue Bonds (Water Projects), Series [2002-A] 2021-A”.*

- (4) paying the costs of issuance of any series of revenue notes or revenue bonds; and
- (5) funding any reserve funds, including reserves for the revenue notes or revenue bonds and operating reserves (to the extent provided by the Board of Finance), created under this Ordinance and the Administrative Resolution.

(b) The net proceeds from the sale of refunding obligations [shall] must be used and applied for the public purposes of:

- (1) refinancing, restructuring, refunding, or renewing, in whole or in part, from time to time, any outstanding revenue notes, revenue bonds, refunding obligations, or other indebtedness, including the payment of any redemption premium on them;
- (2) paying any redemption premium in connection with obligations being

refinanced or refunded from the proceeds of the refunding obligations;

(3) paying the costs of issuance of any series of refunding obligations; and

(4) funding any reserve funds for the Refunding Obligations, including reserves for the payment of the refunding obligations and operating reserves (to the extent provided by the Board of Finance), created under this Ordinance and the Administrative Resolution.

Section 5. And be it further ordained, That:

(a) The City finds and determines that the Board of Finance, being primarily responsible for the issuance and sale of the City's certificates of indebtedness, has the expertise and experience necessary to be primarily responsible for the determination of matters set forth in this Ordinance to be within its jurisdiction.

(b) The market for revenue obligations of the City may change from time to time, and it is in the City's best interest to continue the Board of Finance's exercise of its broad authority and flexibility in connection with the issuance of revenue obligations.

Section 6. And be it further ordained, That:

(a) Before delivery of any series of revenue obligations, the Board of Finance [shall] must adopt an Administrative Resolution.

(b) The Administrative Resolution [shall] must prescribe, subject to the Enabling Laws:

(1) the principal amount of revenue obligations to be issued as a series at any one time;

(2) the date of issue of the series of revenue obligations;

- (3) the interest rate or rates to be borne by the series of revenue obligations or the method by which the interest rate or rates is computed, including limitations on the interest rate or rates beyond which further approvals of the Board of Finance are required;
- (4) the time periods and method of payment of interest on the series of revenue obligations;
- (5) the redemption provisions, if any, for the series of revenue obligations;
- (6) the maturity or maturities of the series of revenue obligations;
- (7) the denomination or denominations of any revenue obligations;
- (8) the form, use of registration, and mechanics for payment of the revenue obligations; and
- (9) any other terms necessary or desirable to carry out this Ordinance, including other matters determined by the Board of Finance under Section 17.

Section 7. And be it further ordained, That the Board of Finance may determine whether a particular issue or series of revenue obligations [shall] must be sold by competitive bidding or by private negotiations. That determination [shall] must be set forth in the Administrative Resolution for the issue or series to which it applies.

Section 8. And be it further ordained, That:

- (a) The Board of Finance may adopt a master administrative resolution that establishes procedures to facilitate the prompt determination and approval of one or more of the matters set forth in this Ordinance.

(b) These procedures may include telephonic approval and subsequent telegraphic, electronic, or written confirmation of one or more matters by a designated officer of the City, subject to safeguards and guidelines prescribed in the master administrative resolution.

Section 9. And be it further ordained, That the Board of Finance may:

- (1) establish procedures whereby a variable or floating rate or rates can be utilized for any series of revenue obligations;
- (2) establish any necessary relations with a commercial bank or other appropriate institution to facilitate the payment of revenue obligations, including the use of general or standby letters of credit, lines of credit, bond insurance, demand features, loan agreements, credit facilities, liquidity facilities, backup loan arrangements, or notes or similar arrangements; and
- (3) determine that the City should enter into a contract or agreement, payable from operating revenues, intended to place revenue obligations on the interest rate, currency, cash flow, or other basis desired by the Board of Finance, including any interest rate swap agreement, currency swap agreement, forward payment conversion agreement, or futures contract, any contract providing for payments based on levels of, or changes in, interest rates, currency exchange rates, or stock or other indices, any contract to exchange cash flows or a series of payments, or any contract, including an interest rate floor or cap, or an option, put, or call, to hedge payment, currency, rate, spread, or similar exposure, on the terms and provisions that the Board of Finance considers necessary or desirable.

Section 10. And be it further ordained, That:

- (a) The principal of, premium (if any) on, interest on, and purchase price of revenue obligations and, to the extent provided in the Administrative Resolution, the amounts owed to the provider of any credit facility securing

any revenue obligations:

(1) do not constitute, within the meaning of any constitutional or charter provision or otherwise, an indebtedness of the City or any other political subdivision of the State of Maryland or a charge against the general credit or taxing powers of the City; and

(2) may be paid solely from the following, in the order and manner that the Board of Finance prescribes in the Administrative Resolution:

(i) operating revenues;

(ii) amounts in any funds pledged under the Administrative Resolution to the payment of the revenue obligations, including any reserve fund established by the Board of Finance for payment of the principal of, premium (if any) on, and interest on the revenue obligations and any investment earnings on those funds (to the extent provided by the Board of Finance);

(iii) unexpended proceeds of the revenue obligations, including investment earnings on those proceeds (to the extent provided by the Board of Finance); and

(iv) other amounts legally available for these purposes.

(b) The issuance of revenue obligations does not constitute (directly, indirectly, or contingently) an obligation, moral or otherwise, of the State of Maryland, of the City, or of any other political subdivision of the State, to levy or pledge any form of taxation whatever for their payment.

(c) Rates and charges of the water utility must be set, assessed, and collected in accordance with City procedures, the City Charter, the Administrative Resolution, and applicable law to the extent deemed necessary to operate the water facilities and provide payment for the outstanding revenue obligations.

Section 11. And be it further ordained, That:

- (a) From the proceeds of the revenue obligations, from other funds of the water utility, or from any other sources, the Board of Finance may establish one or more reserve funds for the revenue obligations, including debt service reserve funds, which may be pledged to the payment of the principal of, premium (if any) on, interest on, and purchase price of one or more series of revenue obligations in the event that the operating revenues for any year are insufficient to pay these items for that year.
- (b) This section does not preclude the establishment of other reserve funds, the amounts in which are not pledged to payment of revenue obligations, in connection with the revenue obligations or any subordinate obligations of the water utility, including a renewal and replacement fund, a rate stabilization fund, a residual fund, and an operating reserve fund.

Section 12. And be it further ordained, That the City covenants that it will pay the principal of, the premium (if any) on, and the interest on any revenue notes or refunding revenue notes in the nature of bond anticipation notes from the first proceeds of refunding revenue bonds issued under this Ordinance when, and as soon as, the reason for deferring their issuance no longer exists and, in any event, in sufficient time to permit the revenue obligations to be paid at maturity or extended maturity.

Section 13. And be it further ordained, That:

- (a) All revenue obligations and other agreements of the City under this Ordinance [shall] must be executed in the name of the City and on its behalf by the Mayor and the Director of Finance, by manual or facsimile signatures. The corporate seal of the City [shall] must be printed or imprinted on the revenue obligations and attested by the Custodian or Alternate Custodian of the City Seal, by manual or facsimile signature.
- (b) If the Board of Finance finds that the nature of a transaction so requires, the

Board may establish in the Administrative Resolution a procedure whereby the Trustee, a responsible trust company, or other authorized trustee, issuing agent, or paying agent maintains an inventory of blank revenue obligations that have been previously imprinted and signed and are available for delivery to purchasers under conditions that require prompt action and delivery.

- (c) If any official whose signature appears on any series of revenue obligations ceases to be an official before the delivery of the revenue obligations, or if any official whose signature appears on any series of revenue obligations became an official after the date of issue, the revenue obligations of that series are nonetheless valid and legally binding limited obligations of the City in accordance with their terms.

Section 14. And be it further ordained, That:

- (a) The proceeds from the sale of revenue obligations [shall] must be paid to the Director of Finance for deposit, investment, and disbursement in accordance with the Enabling Laws, this Ordinance, and the Administrative Resolution. All premiums resulting from the sale of the revenue obligations issued and sold pursuant to the provisions of this Ordinance must be applied as directed by the Board of Finance.
- (b) On presentation of the appropriate vouchers, as provided in the Administrative Resolution, the Trustee or the City [shall] must pay from the proceeds of each series of revenue obligations all costs of issuance. Nothing prevents the City from paying any underwriting discount or placement fee payable in connection with any series of revenue obligations by the underwriters' or placement agents' deduction of an amount equal to the discount or placement fee from the offering price of the series of revenue obligations.
- (c) The Trustee [shall] must credit to a special account established under the Administrative Resolution the amount, if any, of the proceeds of each series of revenue obligations designated as capitalized interest on that series of revenue

*obligations.*

- (d) Before the proceeds of any series of revenue obligations are expended, all or any part of the proceeds may be invested by the Trustee, in accordance with the Administrative Resolution and within any limitation and in the manner provided by law.*
- (e) On presentation to the Trustee or the City of appropriate requests, as provided in the Administrative Resolution, the Trustee [shall] must make payments from the proceeds of any series of revenue obligations for any of the purposes specified in this Ordinance and in the Administrative Resolution.*
- (f) If the funds derived from the sale of the revenue [notes or revenue bonds] obligations exceed the amount needed (i) to refund any outstanding obligations of the City to be refunded under the Administrative Resolution, [and] (ii) to finance the financed facilities, (iii) to pay costs of issuance and capitalized interest, and (iv) to fund any reserves and for any other purposes authorized by the Administrative Resolution, the funds so borrowed and not [expended] needed [for the public improvements authorized by this Ordinance] [shall] must be applied as determined by the Board of Finance, under the terms and conditions set forth in the Administrative Resolution, including to fund reserve fund deficiencies or other reserves, if any, to pay principal of or interest on revenue obligations, to redeem or purchase revenue obligations, or to pay for other capital projects of the water utility within any limitation provided by law.*

*Section 15. And be it further ordained, That:*

- (a) The Board of Finance may take the actions and make the commitments on behalf of the City described in this Section 15.*

placement agents for the revenue obligations or purchasers of the revenue obligations].

(f) The Board of Finance, as it considers necessary or desirable, may appoint one or more banks with trust powers, or trust companies, as Trustee, registrar, or paying agent for the revenue obligations.

(g) (1)The Board of Finance may approve the form of trust agreements (which may be the Administrative Resolution) between the City and the Trustee.

*Section 20. And be it further ordained, That nothing in this Ordinance precludes a pledge, with respect to the revenue obligations, of revenues of and amounts held by the water utility, including the operating revenues, under different or alternative formulations than that provided in this Ordinance and the Administrative Resolution.*

*Section 21. And be it further ordained, That[:]*

*[[a) The] the Mayor and City Council may amend or supplement this Ordinance from time to time as necessary or desirable to increase the authorized amount of revenue obligations and for any other purpose, as long as the action is otherwise consistent with the terms of this Ordinance, the Administrative Resolution, and the revenue obligations.*

(c) The Mayor, the Director of Finance, and the Chief of the Bureau of Treasury Management [shall] must prepare or cause to be prepared and [shall] must execute any certification, opinion, or other document that may be required to maintain the exemption of interest on tax-exempt obligations from federal income taxation.

Section 25. And be it further ordained, That the provisions of this Ordinance are severable. If any provision, sentence, clause, section, or other part of this Ordinance is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, that illegality, invalidity, unconstitutionality, or inapplicability does not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of this Ordinance or their application to other persons or circumstances. It is the intent of the Mayor and City Council that this Ordinance would have been adopted even if the illegal, invalid, unconstitutional, or inapplicable provision, sentence, clause, section, or other part had not been included in this Ordinance, and as if the person or circumstances to which this Ordinance or part are inapplicable had been specifically exempted.

Section 2. And be it further ordained, That the Board of Finance may amend, restate, or supplement the 2002 Resolution, in accordance with that Resolution’s provisions governing amendments, to accomplish any of the purposes set forth in this Ordinance and to specify, prescribe, determine, provide for, approve, and amend, from
