By Ordinance 98-320, the Mayor and City Council approved the application of Holabird Manor Inc., to have the properties known as 1717-1726 Nome Street, 1708, 1710, and 1712 Dundalk Avenue, and 6613 Hartwait Street, consisting of approximately 3.829 acres, more or less, designated a Residential Planned Unit Development and approved the Development Plan as submitted by the applicant.

Holabird Manor, Inc., proposes to consolidate these properties and to include additional property to develop a condominium project to be known as Holabird Manor Condominiums and wishes to rescind Ordinance 98-320 and to replace the existing Development Plan with a new one.

In March 2012, representatives of Holabird Manor, Inc., met with the Department of Planning for a preliminary conference, to explain the scope and nature of existing and proposed development on the properties and to institute proceedings to have the properties designated a Residential Planned Unit Development.

The representatives of Holabird Manor, Inc., have now applied to the Baltimore City Council for designation of the property as a Residential Planned Unit Development, and they have submitted a Development Plan intended to satisfy the requirements of Title 9, Subtitles 1 and 2 of the Baltimore City Zoning Code.
