## Part X. International Residential Code

### § 10-102. City modifications.

The additions, deletions, amendments, and other modifications adopted by the City are as follows:

#### Chapter 3. Building Planning

[Sections] SECTION 310 [to 311] {As in IRC}

#### SECTION 311. MEANS OF EGRESS

311.1 TO 311.6 {AS IN IRC}

311.7 STAIRWAYS

311.7.1 TO 311.7.4 {AS IN IRC}

311.7.5 STAIR TREADS AND RISERS. {AS IN IRC}

311.7.5.1 Risers. The maximum riser height [shall be] IS [7¾ inches (196 mm)] 8¼ INCHES (210 MM). The riser [shall] MUST be measured vertically between leading edges of the adjacent treads. The greatest riser height within any flight of stairs [shall] MAY not exceed the smallest by more than ? inch (9.5 mm). Risers [shall] MUST be vertical or sloped from the underside of the nosing of the tread above at an angle not more than 30 degrees (0.51 rad) from the vertical. Open risers are permitted [provided that] AS LONG AS the opening between treads does not permit the passage of a 4-inch-diameter (102 mm) sphere.

Exception: The opening between adjacent treads is not limited on stairs with a total rise of 30 inches (762 mm) or less.

311.7.5.2 Treads. The minimum tread depth [shall be] IS [10 inches (254 mm)] 9 INCHES (229 MM). The tread depth [shall] MUST be measured horizontally between the vertical planes of the foremost projection of adjacent treads and at a right angle to the tread's leading edge. Winder treads [shall] MUST have a minimum tread depth of 6 inches (152 mm) at any point within the clear width of the stair. Within any flight of stairs, the largest winder tread depth at the walkline [shall] MAY not exceed the smallest winder tread by more than ? inch (9.5 mm). Consistently shaped winders at the walkline [shall be] ARE allowed within the same flight of stairs as rectangular treads and do not have to be within ? inch (9.5 mm) of the rectangular tread depth.

311.7.6 TO 311.7.10 {AS IN IRC}

311.8 RAMPS {AS IN IRC}

COMMENT: Corrects an unintended inconsistency. Ordinance 13-093 amended IBC § 1009.7.2, Exception 5, to modify the stair treads and riser requirements for, among others, Group R-3 occupancies (1- and 2-family dwellings). The ordinance failed, however, to conform the counterpart requirements for 1- and 2-family dwellings in this IRC § 311.7.5.

Title 10. Animal Control and Protection

Subtitle 9. Horse Riding and Driving

“Driving” means the process of using a horse:

- (1) for riding; or
- (2) for pulling a wagon, cart, carriage, or other vehicle or device.

(C) [(d)] Driving license.

“Driving license” means a license issued by the Commissioner to use a horse:

- (1) for riding; or
- (2) for pulling a wagon, cart, carriage, or other vehicle or device.

(D) [(b)] Horse.

“Horse” means a horse, pony, donkey, or mule that is:

- (1) owned, driven, used, or quartered in the City, whether permanently or temporarily; and
- (2) used for:
  - (i) riding, driving, or breeding;
  - (ii) showing or performing in any exhibition or animal show; or
  - (iii) any work or labor.

COMMENT: Reorders definitions alphabetically.

## Subtitle 10. Hearings and Judicial Review

### Part I. Animal Hearing Panel

§ 10I002. Appointment and organization.

(C) COMPENSATION.

PANEL MEMBERS ARE COMPENSATED AS PROVIDED IN THE ORDINANCE OF ESTIMATES, BUT RECEIVE NO BENEFITS FROM THE CITY.

COMMENT: Corrects a clerical error in Ordinance 11-573, which rewrote Title 10 of the Health Article. As introduced, the bill included the language shown here, allowing for possible compensation. On second reader, one of several committee amendments would have stricken this language and substituted new language to preclude any compensation. A subsequent floor amendment, however, was adopted to reject that committee amendment. The net legal effect of this procedure was to fully reinstate the language as initially introduced. By error, however, the enacted bill showed that language as having been stricken from the bill. This amendment formally affirms the intended reinstatement.

## Article 13. Housing and Urban Renewal

### Subtitle 7. Residential Lease Requirements

§ 731 Information required.

(a) In general.

(1) Each residential lease shall contain the following information:

(i) the name, residence address, and RESIDENCE telephone number or THE NAME, business address, and BUSINESS telephone number of the owner of the property, or

(ii) the name, residence address, and RESIDENCE telephone number or THE NAME, business address, and BUSINESS telephone number of [the person designated under Subtitle 4 of this article as the authorized] AN agent of the owner [or managing operator responsible for maintenance and operation of the property and] WHO IS authorized to receive court process on behalf of the owner in connection with the property.

(2) Any owner who is not customarily present in an office in the metropolitan Baltimore area shall include in the lease the information required above for [a managing agent] AN AGENT AUTHORIZED TO RECEIVE COURT PROCESS ON BEHALF OF THE OWNER.

COMMENT: In paragraph (1)(i) and (ii), specifies more clearly the contact information required.

In paragraph (1)(ii), deletes an obsolete reference to an “authorized agent” who has been “designated under Subtitle 4 of this article”. Subtitle 4 was amended by Ordinance 10342 to, among other things, repeal the subtitle’s provisions for the designation of an authorized agent.

In paragraph (2), corrects the reference to “information required above for a managing agent”. No mention is made in the preceding provisions of a “managing agent”.

COMMENT: Corrects missing digit.

## Article 31. Transit and Traffic

### Subtitle 10. Residential Permit Parking Program

§ 109. Advisory Board.

(b) Membership.

(2) Of these members:

- (i) 2 must be residents of a Residential Permit Parking Area that is within District 1, nominated by a neighborhood association representing a Residential Permit Parking Area in that district (that district being bounded as follows: beginning at the point where Harford Road meets the City Line, moving southwest on Harford Road to North Avenue, then west along North Avenue to the Jones Falls Expressway, then north on the Jones Falls Expressway, then west on West 28th Street continuing on to Druid Park Lake Drive, then northwest on Auchentrolly Terrace, then northwest on Reisterstown Road, then north on Park Heights Avenue to the City Line).

- (ii) 2 must be residents of a Residential Parking Area within District 2, nominated by a neighborhood association representing a Residential Permit Parking Area in that district (that district being bounded as follows: beginning where Park Heights Avenue meets the northern City line, moving southeast to Reisterstown Road, then southeast on Auchentrolly Terrace, then east on Druid Park Lake Drive, then south on I-83, then west on Orleans Street/W. Franklin Street/Rt. 40, then south on N. Hilton St., then west on Frederick Avenue/Frederick Road to the City Line).
- (iii) 2 must be residents of a Residential Parking Area within District 3, nominated by a neighborhood association representing a Residential Permit Parking Area in that district (that district being bounded as follows: beginning where Frederick Road meets the western City Line, moving east along Frederick Road continuing onto Frederick Avenue, then north on S. Pratt Street to S. Calvert Street, then south to the Inner Harbor, the following the western banks of the Inner Harbor to the City Line, then following the southern City Line to the beginning point for District 4).
- (v) 2 must be residents of a Residential Parking Area within District 5, nominated by a neighborhood association representing a Residential Permit Parking Area in that district (that district being bounded as follows: beginning at the point where Harford Road meets the northern City Line, moving east to the eastern City Line, then south along the City Line to the eastern banks of the Inner Harbor, then northwest along the banks of the Inner Harbor to the point immediately below S. Calvert Street, then north to S. Calvert Street, continuing north to Orleans Street, then east to I-83, then north to North Avenue, then east to Harford Road, then north to the City Line).
- (vi) 1 is an at-large member, who must be a resident of any Residential Parking Area in the City.
- (3) [(vii)] If, within 30 days after requesting nominees from a district, the Executive Director receives fewer than 2 nominees from any district, the Executive Director may appoint any resident or residents of an RPP area in that district as needed to bring the number of members from each district up to 2, exclusive of the at-large member appointed under [paragraph (vi)] PARAGRAPH (2)(VI) of this subsection.

[(3) Each of the District appointments made under paragraph 2(i) to (v) of this subsection must be made from a list of 1 or more nominees submitted by the community associations that represent a community lying within one or more of that District's Residential Parking Areas.]

COMMENT: Repeals subsection (b)(3), which has been superseded and rendered redundant by the addition in subsection (b)(2) of provisions to like effect. Ordinance 13092 amended this subtitle to, among other things, add a new subsection (b)(2) and redesignate former subsection (b)(2)(i) as new subsection (b)(3). After its introduction, the bill was amended to insert into each of paragraphs (2)(i) through (2)(v) an express requirement that the members appointed to represent a district must have been "nominated by a neighborhood association representing a Residential Permit Parking Area in that district". These additions essentially restate the substance of then subsection (b)(3), rendering the latter (and its somewhat inconsistent phrasing) superfluous.

This amendment also corrects a mis-tabulation in subsection (b)(2), by redesignating subsection (b)(2)(vii) as an independent subsection (b)(3).

§ 1011. Participating areas.

(b) Moratorium for Canton area.

(2) Until December 31, 2017, the Parking Authority may not:

(i) entertain any petition for the creation of a new Residential Parking Area that would include any part of the Canton Area; OR

(ii) approve any amendment to an existing Parking Management Plan that would extend an existing Residential Parking Area into any part of the Canton Area.

COMMENT: Inserts missing conjunction.

Subtitle 14. Valet Parking

§ 14-9. Applications.

(c) Contents.

The application must contain:

....  
(3) the street address, telephone number, and email address of any other of THE applicant's places of business in the City;  
....

COMMENT: Inserts missing the definitive article "the".

Subtitle 22. Towing Services - Accident Towing

§ 221 Definitions.

(d) Medallion towing vehicle.

"Medallion towing vehicle" means a towing vehicle that:

(1) is owned [and] OR operated by a medallion towing company; and

(2) has been specifically authorized to tow vehicles under this subtitle.

COMMENT: Corrects conjunction in item (1), consistent with usage elsewhere in the subtitle. See, e.g., definitions of "medallion towing company" and "towing company" in § 22-1(c) and (h).

SECTION 2. AND BE IT FURTHER ORDAINED, That the catchlines contained in this Ordinance are not law and may not be considered to have been enacted as a part of this or any prior Ordinance.

SECTION 3. AND BE IT FURTHER ORDAINED, That this Ordinance takes effect on the date it is enacted.
