2.1 Compliance With Law

The Franchise granted under the terms and conditions of this Agreement shall be consistent with the Baltimore City Charter, the laws, regulations and rules of the City, and other applicable statutory requirements. In the event of conflict between this Agreement and the terms and conditions on which the City can grant a franchise, the Charter, the laws, regulations and rules of the City, and any such statutory requirements shall control; provided, however, that the terms and conditions of this Agreement may not be affected by any law, regulation, or rule adopted after the Effective Date of this Agreement unless: (1) the content of the law, regulation, or rule was not permitted to be enacted as of the Effective Date, or (2) the law, regulation, or rule is of general applicability.

3.0 Relation to Attachment Rights

This Franchise does not confer upon Franchisee any right to place or attach Facilities directly upon or to structures located in the Public Way that are owned by the City or by a third party, including but not

limited to City-owned streetlights and third party electric utility poles. Franchisee shall secure and maintain any license, lease or other right as may be necessary for such desired attachment by way of a separate attachment agreement or other similar instrument executed with such entity.

3.1 Preference for Attachment to City Facilities

In any situation in which Franchisee has a choice in siting or attaching Facilities to City-owned structures or to structures owned and/or controlled by a third party, Franchisee shall attach to City-owned structures, provided attachment to such City-owned structures in that circumstance is at least functionally equivalent, as a technical and operational matter, to such third-party facilities for purposes of the operation of Franchisees DAS network.

4.0 Term

This Franchise shall be for a period of ten (10) years from the date this Franchise is approved and adopted by ordinance of the Mayor and City of Baltimore City.

This Franchise may be automatically renewed for three (3) additional five (5) year terms provided Franchisee is not in default, is not in arrears with regard to, and does not dispute, any amount of Franchise fees, and provided the City has not given notification of its desire to terminate the Franchise at least one hundred twenty (120) days prior to the expiration of the then-current term, and further provided that Franchisee has not given City notice of Franchisees intention not to renew, such notice to be given not less than one hundred twenty (120) days prior to the expiration of the current Franchise term.

5.0 Franchise Fee

For the right to construct, install, maintain, repair, operate, replace and remove Network Facilities in the Public Way, Franchisee shall pay to the City a Franchise Fee in the amount of one hundred dollars (\$100.00) per year. Payment shall be made no later than 30 days following the conclusion of each fiscal year.

6.0 Use of Facilities

The authority granted by this Franchise extends to the use of Facilities for purposes related to the operation of one or more Networks and the offering of Services. Any non-incident use of such Facilities for a purpose other than a Network or Service, as described in this Agreement, or the installation of facilities unrelated to a Network or Service, may require additional Authorization from the City.

7.0 Installation Specifications

7.1 Conduit

For the deployment of new fiber optic cable in the Public Way for the Network, Franchisee shall use existing City-owned Conduit. In the event there is no available City-owned Conduit to meet Franchisees requirements, Franchisee may in coordination with the City cause the construction of additional Conduit in the Public Way. All such construction shall be consistent with City specifications

and include at least two additional spare ducts for future City use for fiber installation. Franchisee agrees that title in such property shall transfer to the City upon its substantial completion.

The installation of Facilities shall be made in accordance with plans and specifications approved by the City, and after obtaining all necessary permits for all work in the Public Way. Franchisee shall submit to the Baltimore City Department of Transportation an initial installation plan, and any subsequent work plans concerning installations not addressed in the initial work plan, which shall include fully dimensioned site plans and specifications that are drawn to scale and show (1) the specific Facilities, (2) the specific proposed location of such Facilities (including specific identification of each attachment to a City-owned or third-party structure located in the Public Way); (3) the route of fiber optic cable utilized by the Network; (4) the proposed type of construction materials for all structures, and any other details that the City may reasonably request which are also applicable to other regulated utilities operating within the Public Way. Such installation plans may be submitted as part of Franchisees annual construction report described in Section 14.

7.3 Approval by City

Franchisee shall not attach, install, maintain, or operate any Facilities in or on the Public Way until plans for such work have been approved by the City (which shall not be unreasonably withheld, delayed, conditioned or denied), and all necessary permits have been properly issued. Substantial modification to an installation plan (including, for example, a change of Node site) made in the course of construction shall require the written consent of the City, upon which the City shall act promptly, and may require modification of an existing or issuance of a new permit.

Approval of plans and specifications and the issuance of any permits by the City shall not release Franchisee from the responsibility for, or the correction of, any errors, omissions or other mistakes that may be contained in the plans, specifications and/or permits. Franchisee shall be responsible for notifying the City and all other relevant parties immediately upon discovery of such omissions and/or errors and with obtaining any amendments for corrected City-approved permits, as may be necessary.

The City shall use its best efforts to promptly respond to a request for plan approval or modification within 60 days, and will cooperate with Franchisee to facilitate the prompt processing and issuance of any required permits.

If Franchisee fails to cease its interference with Citys operations within twelve (12) hours of such

determination, City shall have the right to take any steps it deems necessary, in its reasonable judgment and discretion, to cause the interference to cease. Franchisee shall be responsible for all reasonable payments and/or expenses relating to the City's actions to correct any interference problems caused by Franchisee.

This Franchise contains all of the agreements of the Parties hereto with respect to any matter covered or mentioned in this Franchise, and no other agreement or understanding pertaining to any such matter shall be effective for any purpose. No provision of this Franchise may be amended or added to except by an agreement in writing signed by the parties hereto or respective successors in interest.

27.2 Non-Waiver

Failure of City to insist on strict performance of any of the conditions, covenants, terms or provisions of this Franchise or to exercise any of its rights hereunder shall not waive such rights, but City shall have the rights to enforce such rights at any time and take such action as might be lawful or authorized hereunder, either in law or equity. The receipt of any sum paid by Franchisee to City after a breach of this Franchise shall not be deemed a waiver of such breach unless expressly set forth in writing.

27.3 Taxes

(a) Franchisee, upon presentation of sufficient and proper documentation will pay, within thirty (30) days, any amount equal to its proportional share of any real estate taxes imposed upon any entity which are directly attributable to the improvements constructed by Franchisee, provided that Franchisee will be entitled to appeal any such increase payable by it.

(b) Franchisee shall indemnify City from any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against City in relation to the taxes owed or assessed on the Franchised Premises.

27.4 Force Majeure

27.5 Governing Law; Jurisdiction

This Franchise shall be construed in accordance with the laws of the State of Maryland, without reference to its conflicts of law principles. If suit is brought by a Party to this Agreement, the Parties agree that trial of such action shall be vested exclusively in the state courts of Maryland, or in the United States District Court for the District of Maryland.

27.6 Change in Law and Severability

If any provision or portion thereof of this Agreement is or becomes invalid under any applicable statute or rule of law, and such invalidity does not materially alter the essence of this Agreement to either party, such provision shall not render unenforceable this entire Agreement. Rather, the parties intend that the remaining provisions shall be administered as if the Agreement did not include the invalid provision.

If, as a result of a change in law by statute, rule, ruling or otherwise, the total compensation to the City arising as a result of Franchisees occupation of the Public Way (including attachments on City-owned facilities therein) is materially reduced, the Parties agree to negotiate in good faith to amend this Agreement to ensure that total compensation to the City remains substantially comparable, to the extent permitted under applicable law.

27.7 Representations

Each of the Parties to this Agreement represents and warrants that it has the full right, power, legal capacity, and authority to enter into and perform the Parties respective obligations hereunder and that such obligations shall be binding upon such Party.

(MBEs) and womens business enterprises (WBEs) as if it were a contractor receiving funding from the City, provided that enforcement of this Section shall be exclusively by way of liquidated damages and in no event shall the City seek to suspend or rescind the Franchise for any violation of this Section. The Franchisee shall use reasonable, good faith efforts to meet a goal for participation by MBEs and WBEs for purchases and construction contracts as established by the City's Minority and Women's Business Opportunity Office (MWBOO). MWBOO shall administer the provisions of this Section on behalf of the City, and Franchisee shall comply with MWBOO rules and requirements.

(b) Documentation to the City on MBE/WBE Participation. Six (6) months after the Effective Date and every six (6) months thereafter while upgrade construction under this Agreement is in progress, and annually thereafter, the Franchisee shall submit to the City written documentation, including executed contracts, service agreements and utilization commitment forms, that shall identify the particular MBEs/WBEs that are (i) contracting directly with the Franchisee; or (ii) subcontracting with prime contractors who contract directly with Franchisee. The documentation submitted to the City shall specify the dollar value of the participation, type of work to be performed, and such other information as the City may reasonably request.

(c) Waiver of MBE/WBE Goals. In the event that, after the use of reasonable, good faith efforts to meet the goals for MBE and WBE participation established pursuant to this Section, the Franchisee is able to demonstrate to the City's satisfaction that sufficient qualified and willing MBEs and WBEs are unavailable, the Franchisee may request a waiver or reduction of the MBE/WBE goals.

(d) Report on MBE/WBE Compliance. Six (6) months after the Effective Date and every six (6) months thereafter, the Franchisee shall submit to MWBOO a report on its compliance with this Section.
