A RESOLUTION ENTITLED

A RESOLUTION OF THE MAYOR AND CITY COUNCIL concerning

Solid Waste Management Plan for 2013-2023 - Amendments

FOR the purpose of amending the City's Solid Waste Management Plan for 2013-2023 to include certain supplemental information required by the State; providing for a special effective date; and generally relating to the Solid Waste Management Plan for Baltimore City.

Recitals

State law (Environment Article § 9-503 and COMAR 26.03.03) requires each county and Baltimore City to (i) adopt and maintain a comprehensive solid waste plan that covers at least the succeeding 10-year period and (ii) periodically review and, as needed, amend or revise its plan.

The City's most recent plan, the Solid Waste Management Plan for 2013-2023, was adopted by Resolution 14-019, effective October 30, 2014.

The Maryland State Department of the Environment has since directed that this Plan be amended to include certain supplemental information required by State law.

The Department of Public Works has prepared amendments to the Plan to comply with the State's directives, as shown on the attached pages excerpted from the Plan. All changes are highlighted and further identified with SMALL CAPITALS TO INDICATE MATTER ADDED TO THE PLAN and with [Brackets to indicate matter deleted from the Plan].

SECTION 1. BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF BALTIMORE, That the attached amendments to the Solid Waste Management Plan for 2013-2023 are approved and adopted.

SECTION 2. AND BE IT FURTHER RESOLVED, That this Resolution takes effect when it is enacted.
